Project Management Gray And Larson:

Project Management Clifford F. Gray, Erik W. Larson, 2014 Do you want to be a Certified Project Manager This book combines operational and human skills into flexible proactive framework It focuses on the human element that is critical to project implementation and completion It also provides an intuitive five step approach for collecting the necessary information to plan schedule and control a project Also features examples case studies and analysis for each phase of a typical project to ensure that each project you manage meets its goals on time and on budget Provides proven guidelines for managing projects from both the operational and behavioral standpoint Project Management: The Managerial Process with MS Project Erik W. Larson, Clifford F. Gray, 2013-10-16 As the market leading textbook on the subject Project Management The Managerial Process is distinguished by its balanced treatment of both the technical and behavioral issues in project management as well as by its coverage of a broad range of industries to which project management principles can be applied It focuses on how project management is integral to the organization as a whole The text not only delivers the tools and processes is essential to successful project management but also an understanding that the effectiveness of these tools and methods are shaped and determined by the prevailing culture of the organization and interpersonal dynamics of the people involved As such Larson Gray presents a holistic view that focuses on methodology as well as the human dimension and how they interact to determine the outcome of projects Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and how they need it so that your class time is more engaging and effective **Project Management** Clifford F. Gray, Erik W. Larson, 2008 As the market leading textbook on the subject Project Management The Managerial Process 4e is distinguished by its balanced treatment of both the technical and behavioral issues in project management as well as by its coverage of a broad range of industries to which project management principles can be applied It focuses on how project management is integral to the organization as a whole The 4th edition reflects the latest changes found in the practice Other texts discuss the topics covered in this text but they do not view oversight as the project manager s operating environment as does Gray Larson **Loose Leaf for Project Management: The Managerial Process** Erik W. Larson, Clifford F. Gray, 2020-01-02 Project Management 8e provides a holistic and realistic approach to Project Management that combines the human aspect and culture of an organization with the tools and methods used It covers concepts and skills used to propose plan secure resources budget and lead project teams to successful completion of projects this text is not only on how the management process works but also and more importantly on why it works It s not intended to specialize by industry type or project scope rather it is written for the individual who will be required to manage a variety of projects in a variety of organizational settings 8e was written for a broad range of audiences including project managers students analysts and Project Management Institute Members preparing for certification exams The digital component Connect now has enhanced algorithmic problems Application Based
