McDonaldization in the digital world      **Yearning for (Dis)Connections** Hassan Yosimbom,2023-09-30 In a nuanced consideration of the Cameroonian experience Yearning for Dis Connections makes critical interventions into debates about coexistence citizenship identity formation and performance democracy and modernity in Cameroon The essays in the book ranges across Francophone and Anglophone Cameroons to provide a challenging assessment of the common ways of writing and thinking for and of and about the Cameroonian world The book criticises the blinders of Cameroon s Francophonecentred leadership analysing its failure to heed Anglophone Cameroon s ontological and epistemological critiques of Cameroon s ongoing exclusions masked by pretences of a Francophone universalism Yosimbom uses the works of Nyamnjoh Ndi Besong and Takwi to explore how Cameroonian worlds are on the move of and for identity negotiations He also explores how the uneven development of those Cameroonian worlds has been creating growing gaps within and among regions while at the same time Francophonising Anglophones and Anglophonising Francophones through four fold processes of complementarities continuity and discontinuity diachrony and synchrony The book demonstrates that persistent Francophone hegemony and resurgent Anglophone nationalism often fail to realise that all Cameroonians have been shuffled like a pack of cards that cultures are formed through complex dialogues and interactions with other cultures that the boundaries of cultures are fluid porous and contested that identities are multiple and layered in complex pluralist democratic societies and that there is need for public recognition of cultural and identity specificities in ways that do not deny their fluidity nimbleness and incompleteness      **Commodified Health Care and Lay Catholic Social Spirituality** Vivencio Ballano,2025-07-01 This book establishes a lay social spirituality for health care practitioners that pursues the Catholic Church s social teachings on the preferential option for the poor structural sin and health care reform to address today s commodification of the health care system where maximizing profit and patient s capacity to pay become the primary consideration Applying a sociotheological approach that combines the perspectives of modern sociology Catholic social doctrines and Pope Francis s inductive synodal theology as well as drawing from secondary literature media reports and church documents it argues for the necessity of a holistic interdisciplinary and synodal lay Catholic social spirituality that is informed by Pope Francis s synodality Presenting sociological research for health care practitioners to uphold options for the poor in public health it envisions a lay spirituality that participates in civil society s health care reform agenda at the macro level and practices Christian and Ignatian discernment at the micro level as its main behavioral components This book appeals to Christian health care actors entrepreneurs and spiritual directors as well as scholars and students in sociology religion moral theology bioethics and spirituality      **Persian Literature as World Literature** Mostafa Abedinifard,Omid Azadibougar,Amirhossein Vafa,2021-07-15 Confronting nationalistic and nativist interpreting practices in Persianate literary scholarship Persian Literature as World Literature makes a case for reading these literatures as world literature as transnational worldly texts that expand beyond local and national penchants Working through an idea of world literature that

is both cosmopolitan and critical of any monologic view on globalization the contributors to this volume revisit the early and contemporary circulation of Persianate literatures across neighboring and distant cultures and seek innovative ways of developing a transnational Persian literary studies engaging in constructive dialogues with the global forces surrounding and shaping Persianate societies and cultures *Collection of the Basic Texts of the International Telecommunication Union* International Telecommunication Union.
