James W. Partington,2010 The information obtained from this assessment allows parents and professionals to pinpoint
obstacles that have been preventing a child from acquiring new skills and to develop a comprehensive language based
curriculum The ABLLS R is comprised of two documents of which this is the first The ABLLS R Protocol is used to score the
child s performance on the task items and provides 15 appendices that allow for the tracking of a variety of specific skills that
are included in the assessment The Protocol includes a set of grids that comprise a skills tracking system that makes it
possible to observe and document a child s progress in the acquisition of critical skills The ABLLS R protocol requires a
second document the ABLLS R Guide which provides information about the characteristics of ABLLS R and describes how to
correctly score the elements and how to develop goals and objectives of the Individualized Education Program IEP that
clearly defines and target the learning needs of a student *Language and Autism* Adrienne Fitzer,Peter Sturmey,2009 This
