## **Advanced Potion Making:**

**Advanced Potion Making** Noel Green,2014-06-23 Enter a world of magic full of witches and wizards with this wonderfully written fully complete work of fantasy This potion book is completed with over 24 potions complete with instructions ingredients and spells This isn't just another blank book to sit on your shelf but something you and your friends will want to read and study for years to come Note this is NOT a real potion book but is made for the fan of all things magical At least we don't think any of the potions are real but haven't tried them with actual unicorn horns or goblin blood so we might be wrong For more information on this book check out my website here <http://www.noelgreen.com/advanced-potion-making-replica-buy-potion-book>

**Advanced Potion-Making** Al Chemist,2014-03-20 For all your witch and wizard costumes here's a prop book to carry around to show that you're a serious student of your craft NOTE This book is intended purely as a costume accessory It does not contain any actual potion making instructions However we have filled it with the contents of a book from the 1850s on magic and witchcraft so there is something to read there if you want

**The End of Harry Potter?** David Langford,2007-03-20 In *The End of Harry Potter* David Langford Potter fan and award winning writer examines the many mysteries that remained unsolved prior to publication of the final volume of J K Rowling's magical series The publication of *Harry Potter and the Deathly Hallows* the seventh and final *Harry Potter* novel was one of the most eagerly anticipated events in the history of publishing Even the smallest hints from the author about what may happen to Harry and his friends generated major news stories Is Albus Dumbledore really dead Whose side is Severus Snape really on What are the remaining horcruxes where *He Who Shall Not Be Named* has stashed his soul Does Harry bear a part of the Dark Lord's soul in his scar and is this why he understands Parseltongue In this highly entertaining book Langford uses his deep knowledge of the six published *Harry Potter* novels to explore these and other mysteries and to present a selection of possible outcomes While *Harry Potter and the Deathly Hallows* may lay these questions to rest Potter fans will still find David Langford's book enchanting and thought provoking and a perfect way to refresh their memory of the first six books in this beloved series At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

F. Nilsen,2007-07-05 This book shows how authors of young adult literature use the creation of names for people places events inventions animals and imaginary concepts as one of their most important literary techniques Chapters address how authors use names to stretch readers emotions to reveal ethnic values and differences to create other worlds and to establish tone

Other chapters focus on how authors use names to help readers remember who is who such as J K Rowling in the Harry Potter books or to communicate separate messages to adults and to young readers as exemplified by Richard Handler in the Lemony Snicket books *Names and Naming in Young Adult Literature* equips readers with the interest and the skill to make similar observations about names and naming when they read other books Looking at the names an author has chosen to use is a wonderful first step in introducing readers to the concept of literary criticism as something to help readers get more pleasure and information from their reading Public and school librarians college instructors of young adult literature teachers of creative writing high school English teachers and anyone else who is interested in young adult literature will find this book extremely interesting
