Re Paris letter 9/27/60.

The Paris Federal Police furnished the following report on October 1, 1960:

The investigation of the "Albert Schweitzer College" located in Courbevoie, Seine-St. Denis, 93500 Paris, advised that the school principal had reported the planned attendance of this subject for the course beginning in the Fall of 1960. Inquiry at the college revealed that he had not arrived there as of the present time. He had originally written a letter from Moscow indicating his intention to attend there. A letter which was addressed to him at this address by his mother was returned to her since his whereabouts are unknown to the college. The Paris Federal Police advised that it is unlikely that he would have attended the course under a different name. The Paris Federal Police advised that courses for the Fall of 1960 commence on October 2, 1960, and that it is unlikely that the subject has now received further correspondence from OSWALD. At the present time, there is no report of a person possibly identical with the subject who is registered for the course beginning October 2, 1960.

The Paris Federal Police advised that if further information comes to the attention of the Paris Intelligence Service, they will be advised and they in turn will advise the Bureau.
