the mainstream.

10. Read the following statements about a constitution. Give reasons why each of these is true or not true.

a) The authority of the rules of the constitution is the same as that of any other law.

Ans: Not True

The Constitution describes in detail how the government is elected, their powers, rights of citizens and their protection. This law is very much different from any other law.

b) The Constitution lays down how different organs of the government will be formed.

Ans: True

The Constitution clearly defines the role of the legislature, the executive and the judiciary and also it states how they should be formed and by whom.

c) Rights of citizens and limits on the power of the government are laid down in the constitution.

Ans: True

Constitutional setup limits the power of government through different institutions and also talks about the rights of citizens.

d) A constitution is about institutions, not about values
