consumer behaviour towards digitization and online experiences **A digital marketing strategy for Bank365 Group**
,2024-02-14 Seminar paper from the year 2016 in the subject Business economics Offline Marketing and Online Marketing
grade 65 course Digital Marketing language English abstract The rise of digital technologies has allowed customers to take a
better informed purchasing decision by comparing prices quality and reading product reviews on the web Power today is in
the consumers hands Having gone through a shift from the age of identity the age of value and the age of experiences brands
are now looking towards making business a personal experience Bearing this in mind Bank365 s website shouldn t just act as
a contact card or a centralised collection of information about its product s or service s but rather should play a central role
in a seamless digital user brand experience Having a cycle in place of knowing what customers are looking for when they
land on Bank365 com mt and giving that to them measuring user behaviour and aligning business KPIs turning passive
browsers into valuable conversions and defending against limited visitor patience are all activities which the Bank should
focus on if it expects any improved results from the digital environment Bank365 undergoes the cycle of reaching acting
converting and engaging online with customers on a daily basis When done right this has produced results and as a matter of
fact the company has been generating an average of 165 online leads per month around 2000 online requests forms filled per
year since January 2015 Nevertheless the aspiration to have a better integrated digital marketing strategy can no longer be
put aside Conversion rate optimisation CRO is a free approach to digital marketing focusing on inbound traffic which if
adopted will allow for lower acquisition costs and maximisation of profits therefore more money to spend on additional
acquisitions Through CRO Bank365 will get more of the right kind of customers add value to affiliations and business
partners combat the limited attention span of the average website visitor and generate momentum by having an edge on its
competitors The Bank s website is a constant work in progress hence there will always be room for improvement
