Professional Bachelor Dating Guide:

Are All Guys Assholes? Amber Madison, 2011-09-29 What if everything you've been told about guys your entire life has been a lie And what if your approach to sex dating and relationships is completely wrong because it's based on false assumptions about how men think and feel The idea that guys are only interested in one thing may help comedians TV executives and dating gurus make money but it's not the truth That's right guys care about more than just sex they don't have to be coaxed into relationships and they deeply value emotional connections with women How do we know Because sex and dating expert Amber Madison asked them She grilled more than a thousand guys in ten cities through interviews and surveys She examined every stage of romantic relationships from meeting a guy to getting serious with him in order to find out what men really think and why they do the things they do Why do guys stop calling after a few dates How can you tell if a guy actually likes you How soon is too soon to have sex Based on actual research *Are All Guys Assholes* teaches you how to decipher and navigate any dating hookup or relationship situation It explains the roots of some seemingly asshole-ish behaviors and teaches you how to tell the good ones from the assholes once and for all By the end you'll never look at guys the same way again
