

## Rhyming Stories for Early Years Children

# Rhyming Story Collection Framework

**Mark Steyvers**

## **Rhyming Story Collection Framework:**

*Supporting Early Learning through Rhymes and Stories* Sarah Cousins, Hilary Minns, 2023-12-04 This book shows how adults can bring rhymes and stories to life with young children and support children's early steps in communication and literacy. Focusing on the use of rhythm, rhyme, and repetition in nursery rhymes and traditional tales from around the world, it provides a wealth of practical ideas for using rhymes and stories one on one in small groups or with whole classes. Drawing from the culmination of their many years of combined experience, the two authors link the theoretical understanding of language and communication with the practical use of rhymes and oral storytelling in the classroom, nursery, and at home. Early chapters or Part I provide a rationale for using rhyme, rhythm, and repetition to inspire children to play with words and develop a love of language, building a foundation for literacy learning. Part II consists of ten lively chapters featuring original and reimagined traditional fairy tales containing accompanying rhymes to use with children. Key themes include friendship, kindness, compassion, and generosity. Follow-up activities for extending children's vocabulary, building their confidence, and developing critical thinking are suggested. Ideas for using voices, facial expressions, gestures, props, and puppets to enrich children's emotional, imaginative, and intellectual experience are included. This delightful and practical book will be valuable reading for all adults wanting to support young children's creative learning through enjoyable and valuable experiences.

Same-sex Sexuality in Later Medieval English Culture Tom Linkinen, 2025-10-01 This volume investigates the state of same-sex relations in later medieval England, drawing on a remarkably rich array of primary sources from the period that include legal documents, artworks, theological treatises, and poetry. Tom Linkinen uses those sources to build a framework of medieval condemnations of same-sex intimacy and desire, and then shows how same-sex sexuality reflected and was inflected by gender hierarchies, approaches to crime, and the conspicuous silence on the matter in the legal systems of the period.

Collections for Young Scholars, 1995 *Rhyme and Rhyming in Verbal Art, Language, and Song* Venla Sykärä, Nigel Fabb, 2022-12-05 This collection of thirteen chapters answers new questions about rhyme with views from folklore, ethnopoetics, the history of literature, literary criticism, and music criticism, psychology, and linguistics. The book examines rhyme as practiced or as understood in English, Old English, and Old Norse, German, Swedish, Norwegian, Finnish, and Karelian, Estonian, Medieval Latin, Arabic, and the Central Australian language Kaytetye. Some authors examine written poetry, including modernist poetry, and others focus on various kinds of sung poetry, including rap, which now has a pioneering role in taking rhyme into new traditions. Some authors consider the relation of rhyme to other types of form, notably alliteration. An introductory chapter discusses approaches to rhyme and ends with a list of languages whose literatures or song traditions are known to have rhyme.

**Literature Frameworks** Sharron L. McElmeel, 1997 Intended for teachers in preschool through intermediate grades, these thematic frameworks suggest books and literature-related materials. **The Elementary School Library Collection, Phases 1-2-3**, 2000 *Language and Literacy 3-7* Jeni Riley, 2006-10-02 This

practical guide considers the research evidence that is needed to inform enlightened practice and offers concrete suggestions and teaching approaches for early years settings and classrooms This comprehensive book shows the what the how and the why of innovative creative practice for teaching language and literacy The author clearly examines how young children learn to use both spoken and written language and shows how to assess plan and teach for the effective learning of speaking listening reading and writing Each chapter includes case studies learning and teaching suggestions and further reading and topics covered include o Learning to communicate o Developing spoken language in early years settings and classrooms o The links between oracy and literacy o The inter relatedness of the literacy process o Teaching literacy holistically o The assessment of language and literacy o Supporting literacy in Keystage 1 teaching reading and teaching writing for different purposes o Children and books o Teaching children for whom English is an additional language o Language literacy learning and ICT

**Fireside Sketches from Swedish Life** Sarah Schoonmaker Baker,1896

**Exploring Poetry with Young Children** Ann Watts,2016-08-05 With the increased focus on children s language in Early Years education poetry can be a valuable tool in enhancing speaking listening and communication This book provides parents and practitioners with a guide on how and where to start with using poetry with children Combined with practical suggestions on finding and using poems with children of differing ages and language ability it also offers advice on how to encourage children to create and develop their own poems Exploring Poetry with Young Children includes an anthology of a wide range of poems to use with children based on their everyday experiences ensuring that adults can enhance the learning experience as it happens and enrich the language development of the children in their care Divided into two parts this book covers the nature of poetry and why it can be such important part of our well being ways of using and sharing poetry with babies and toddlers how to share poetry with children as they become confident users of language the rhyming aspects of verse and ways in which these can be used to develop children s phonic awareness the importance of establishing a poetic awareness in young children This will be an essential guide for all Early Years practitioners students and parents who are interested in using poetry to develop the speaking listening and communication skills of young children
