I Tina:

I, Tina Tina Turner, Kurt Loder, 1987 Ike and Tina Turner were one of the rock sensations of the Sixties Then Tina made a solo comeback and is now one of the top female performers on the pop scene This book tells the story that lies behind her success from her first taste of stardom and the brutality which forced her to leave Ike and the act through the years of obscurity to her return to prominence with her bestselling award winning album *Private Dancer* [American Diva](#) Deborah Paredez, 2024-05-21 A Time Must Read Book of 2024 An impassioned homage to the divas who shake up our world and transform it with their bold dazzling artistry What does it mean to be a diva A shifting increasingly loaded term it has been used to both deride and celebrate charismatic and unapologetically fierce performers like Aretha Franklin Divine and the women of Labelle In this brilliant powerful blend of incisive criticism and electric memoir Deborah Paredez scholar cultural critic and lifelong diva devotee unravels our enduring fascination with these icons and explores how divas have challenged American ideas about feminism performance and freedom American Diva journeys into Tina Turner s scintillating performances Celia Cruz s command of the male dominated salsa world the transcendent revival of Jomama Jones after a period of exile and the unparalleled excellence of Venus and Serena Williams Recounting how she and her mother endlessly watched Rita Moreno s powerhouse portrayal of Anita in West Side Story and how she learned much about being bigger than life from her fabulous T a Lucia Paredez chronicles the celebrated and skilled performers who not only shaped her life but boldly expressed the aspiration for freedom among brown Black and gay communities Paredez also traces the evolution of the diva through the decades dismayed at the mid aughts commodification and juvenilizing of its meaning but finding its lasting beauty and power Filled with sharp insights and great heart American Diva is a spirited tribute to the power of performance and the joys of fandom

Southerners Acting Southern Tison Pugh, 2025-04-10 What is the difference between a star born in the South and a southern star In *Southerners Acting Southern* Tison Pugh answers this intriguing question pondering the ways in which some performers from the South metamorphose into southern stars by accentuating their geographic and cultural roots as key aspects of their star personas Many celebrities particularly actors seek to transcend their hometown roots in favor of achieving an all American appeal but some stars born in the South build their national and international fan base by emphasizing the southern aspects of their biography and by leaning into regional clichés and stereotypes that percolate throughout the U S cultural imaginary In turn some southern stars trot out the region s hoariest tropes of fading belles gullible country rubes and the succors of southern hospitality only to reveal the shallowness of these stereotypes and of their celebrity personas as well Covering more than one hundred years of cultural history *Southerners Acting Southern* allows readers to gauge the South s often reluctant progress into modernity including discussions on the intersection of race and celebrity for the region s Black stars and its increasing if hesitant embrace of queer ones Chapters feature a wide ranging selection of southern celebrities including Louis Armstrong Truman Capote Elvis

Presley Tennessee Williams Andy Griffith Tina Turner Dolly Parton Tom Petty Gloria Estefan Oprah Winfrey Reese
 Witherspoon Jenna Bush Hager Ellen DeGeneres Tyler Perry Matthew McConaughey Aziz Ansari and Miley Cyrus
 Southerners Acting Southern moves from past to present from musicians to media personalities discerning the ways in which
 southernness contributes to the building of personal celebrity Altogether this luminous work of cultural criticism reveals that
 southern stargazing as much as it might initially appear a flighty pastime of overzealous fans divulges deeper truths about
 the South and the United States as a whole that might otherwise pass unnoticed Tiny Tina's Teacake James Milne, Tina
