

Friends Can Show Kindness

**Friends can show kindness to each other in many ways.
You can show kindness by taking turns when you play.
Ask your friend if they would like to go "first".
If a friend gets hurt, you can help them get up.
You may need to go get a grownup to come and help.
When a friend is feeling sad, you can cheer them up.
Sometimes a friend just needs someone to listen.
You can invite a lonely child to come and play with you.
If you hear kids making fun of someone, say "Stop!"
Think of how you would feel if it happened to you.
Showing kindness to others is an important thing to do.**

The Children's Friend ,1912 **Best Friends** Ronald Destra,Juanita Destra,2016-09-23 They met each other by a stroke of luck and became inseparable friends from then on Both were faced with terminal birth defects that would make any desolate for fear of death yet it did not stop them from being the best they can be individually and for each other Death did separate them physically but Joseph lives on in his friend s thoughts bringing smiles to his face as he has always done when was alive

The Friend Samuel Chenery Damon,1913 **Conflict Narratives in Middle Childhood** Marsha D. Walton,Alice J. Davidson,2017-03-27 Conflict Narratives in Middle Childhood presents evidence from twenty years of research examining nearly 3 000 narratives from 1 600 children in eight settings in two countries about their own experiences with interpersonal conflict Close readings combined with systematic analysis of dozens of features of the stories reveal that when children are invited to write or talk about their own conflicts they produce accounts that are often charming and sometimes heartbreaking and that always bring to light their social emotional and moral development Children s personal stories about conflict reveal how they create and maintain friendships how they understand and react to the social aggression that threatens those friendships and how they understand and cope with physical aggression ranging from the pushing and poking of peers to criminal violence in their neighborhoods or families Sometimes children describe the efforts of adults to influence their conflicts efforts they sometimes welcome and sometimes resist Their stories show them taking on gender and other cultural commitments We are not just watching children become more and more like us as they move through the elementary school years we are watching them become the architects of a future we will only see to the extent
