Learning in Adulthood Sharan B. Merriam, Rosemary S. Caffarella, 1991-04-30 Bringing together the seminal works of Malcolm Knowles K Patricia Cross J Roby Kidd and others as well as the most recent adult learning theories and research this book provides a comprehensive overview of all that is known about adult learning Readable thorough and up to date in its coverage the volume not only reviews the tenants of adult learning itself but also examines learning in the context in which it takes place and of what participants learn and why It also explores the nature of the learning process itself as well as issues relevant to the practice of adult learning

Open Minds, Devoted Hearts Sarah Tauber, 2015-07-16 How do religious educators meaningfully engage adult learners How do they invite adults to begin a learning journey and inspire them to stay on it In an era of spiritual but not religious how can religious educators and clergy in particular respond to the yearnings of adults for connection wholeness and purpose Open Minds Devoted Hearts offers the examples of three outstanding congregational rabbis whose teaching answers that call to action Through innovatively incorporating biographical portraits and educational scholarship the book provides a comprehensive exploration of how the themes of narrative transformation and spirituality bring adult religious educators and learners into a powerful interactive educational process The portraits and accompanying analysis reveal how constructing personal meaning and building sacred community through study situates adult learning as a dynamic centerpiece of an energized congregational life

Challenging Tradition Perry Shaw, Havilah

Dharamraj,2018-03-31 The surge of theological education in the rapidly growing church of the Majority World has highlighted the inadequacy of traditional Western methods of thinking and learning to fully accomplish the task at hand The limitations of current theological education are embodied in the formation and assessment of the master s or doctoral dissertation processes that follow a linear empiricist tradition developed in the West and exported to the Majority World Challenging Tradition Innovation in Advanced Theological Studies highlights the need for these traditions to be reconsidered in every context throughout the world Drs Shaw and Dharamraj with their team of contributors present innovations in research and documentation that demonstrate how we may better prepare theological leadership through means that are contextually relevant and locally meaningful
