A Witch Out of Time C. Rochelle, 2021-06-16 **WARNING THIS BOOK CONTAINS A CLIFFHANGER** Four hundred years is a long time to wait for your fated mates, only to have two of them cruelly ripped away. Suddenly finding ourselves in the hands of the nefarious Facility run by my final mate's father was enough to make my claws twitch under my skin. The only reason I hadn't reduced these humans to ribbons of severed flesh was that there was information to uncover and a swan shifter to find. Hopefully alive, I suppose. I'll behave. Even if we were to escape, we wouldn't be safe. A mysterious force is destroying my forest and the veil between our world and the Navi is growing thin. My former mentor betrayed me, an enemy from my past is circling, and the god of the underworld is demanding that I return to his realm. The past has returned with a vengeance, and I need all three Riders by my side in order to claim my power and fulfill my legacy before we run out of time. The Yaga's Riders is based on the folklore of Baba Yaga with creative liberties taken. *A Witch Out of Time* is the second book in a steamy paranormal romance saga featuring mysterious forces in magical woods, a legendary witch, and the three men destined to find her. **MMFM Multiple POV**. This series is meant for readers 18 and over. Beware Cliffys ahead. Possible triggers: Sweary dialogue, Naughty humor, Graphic sex including kink and various edgeplay, Gore and violence, Reference to past sexual assault and pregnancy loss, General weirdness and medium dark element.

The Story of the Crusades E. M. Wilmot-Buxton, 2021-05-19 In *The Story of the Crusades*, E. M. Wilmot-Buxton presents a comprehensive and engaging narrative that chronicles the complex events and motivations behind the Crusades. Written with a meticulous attention to detail, the work combines both historical analysis and vivid storytelling, making it accessible to both scholars and general readers. Wilmot-Buxton intertwines accounts of military conflict, religious fervor, and the sociopolitical dynamics of the time, all while employing a literary style that emphasizes clarity and vivid imagery. This book serves as a significant literary effort in the context of early 20th-century historiography, where an interest in historical narrative sought to both educate and entertain its audience. Wilmot-Buxton, a historian with a keen interest in medieval history, draws upon a wealth of historical documents and scholarly sources to construct his narrative. His background in literature and history equips him with a unique perspective, allowing him to blend factual rigor with compelling prose. The author's passion for uncovering the intricacies of human motives, particularly within the tumultuous landscape of the Crusades, is palpable throughout the narrative, reflecting broader themes of faith, power, and cultural exchange. For readers seeking a deeper understanding of the Crusades' impact on both the medieval world and contemporary society, Wilmot-Buxton's work is an invaluable resource. It sheds light on the multifaceted nature of this historical phenomenon, inviting readers into a vivid exploration of one of history's most significant epochs. This book is highly

recommended for anyone interested in history religion or the interplay of culture and conflict In this enriched edition we have carefully created added value for your reading experience Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

[Crystal Saga Series 3, 1-The Next Generation and 2-Into the Future](#) D. E. Weingand,2023-05-02 My name is Tamara I am the Queen of the undersea kingdom of Marinea on the planet Akura My life adventure truly began with the crystal on my stomach I was born with it but it didn t activate until I reached puberty After that crystals have been the dominant force in my life If you wish to learn about my life up to this point you can read Series 1 and 2 of Crystal Saga The cosmology and history that I grew up knowing highlighted my kingdom and two others I now know that this knowledge was seriously incomplete I have initiated diplomatic relations and Ambassadorships with the many kingdoms we have discovered on both sides of our planet both light and dark My name is Crystos I am a graduate student at the Academy of Magic in the kingdom of Marinea When I ve been asked about my childhood I had no answers My memories began when I reached puberty At that point I felt drawn to the Academy applied for admission and was accepted That always puzzled me since I had no references and apparently no former schooling Once I began my studies I also became involved in teaching as a volunteer In addition I joined a martial arts club and became quite proficient earning a black belt

Björnstjerne Björnson, 1832-1910 William Morton Payne,2020-09-28 Eight years ago taking a bird s eye view of the mountain peaks of contemporary literature and writing with particular reference to Bj rnsn s seventieth birthday it seemed proper to make the following remarks about the most famous European authors then numbered among living men If one were asked for the name of the greatest man of letters still living in the world the possible claimants to the distinction would hardly be more than five in number If it were a question of poetry alone Swinburne would have to be named first with Carducci for a fairly close second But if we take literature in its larger sense as including all the manifestations of creative activity in language and if we insist furthermore that the man singled out for this pre minence shall stand in some vital

relation to the intellectual life of his time and exert a forceful influence upon the thought of the present day the choice must rather be made among the three giants of the north of Europe falling as it may be upon the great hearted Russian emotionalist who has given us such deeply moving portrayals of the life of the modern world or upon the passionate Norwegian idealist whose finger has so unerringly pointed out the diseased spots in the social organism earning by his moral surgery the name of pessimist despite his declared faith in the redemption of mankind through truth and freedom and love or perchance upon that other great Norwegian equally fervent in his devotion to the same ideals and far more sympathetic in his manner of inculcating them upon his readers who has just rounded out his scriptural tale of three score years and ten and in commemoration of the anniversary is now made the recipient of such a tribute of grateful and whole souled admiration as few men have ever won and none have better deserved It would be certainly invidious and probably futile to attempt a nice comparative estimate of the services of these three men to the common cause of humanity let us be content with the admission that Bj rnstjerne Bj rnson is primus inter pares and make no attempt to exalt him at the expense of his great contemporaries Writing now eight years later at the time when Bj rnson s death has plunged his country and the world in mourning it is impressive to note that of the five men constituting the group above designated Tolstoy alone survives to carry on the great literary tradition of the nineteenth century
