How to Tell Toledo from the Night Sky Lydia Netzer, 2014-07 Beyond the skyline of Toledo stands the Toledo Institute of Astronomy a beacon of scientific learning for astronomers far and wide One of these is George Dermont who's trying to prove the scientific existence of a Gateway to God Its newest star is Irene Sparks a pragmatist and mathematician invited to lead the Institute's work on a massive superconductor being constructed below Toledo This would be a scientist's dream come true but it's particularly poignant for Irene who has been in self-imposed exile from Toledo and her estranged alcoholic mother Bernice When Bernice dies unexpectedly Irene resolves to return to Toledo and sets in motion a series of events which place George and Irene on a collision course with love destiny and fate *Everybody's Baby* Lydia Netzer, 2014-06-03 Jenna and Billy are in love He's an app developer a hyper-plugged-in citizen of the internet with a big Scottish family and winning smile She is a yoga teacher tuned in to the vibes of the spiritual universe who was abandoned by her mother as an infant and orphaned by her father's recent death When they meet it's electric and it is no time before they are married and eager to start their own family But when they can't get pregnant Billy devises a plan they would raise funds for their in vitro fertilization on Kickstarter offering donor perks like cutting the cord naming the baby and catching the baby when it takes its first steps The good news is that they make their fundraising goal get pregnant and have a baby The bad news is that their marriage begins to fall apart when they have to deliver on all those perks It's hard enough to survive delivering a baby without a performance artist making a documentary of the cord cutting It's difficult enough to get baby to sit up and smile for a six-month portrait without a local politician taking up half the lens What does it mean to be owned by the internet Lydia Netzer's *Everybody's Baby* explores how relationships grow and fail in public and private life the hazards of living in the cloud and the nature of love online and off *McKittrick's Directory of Advertisers*, 1958 *The Opposite of Everyone* Joshilyn Jackson, 2016-02-16 A fiercely independent divorce lawyer learns the power of family and connection when she receives a cryptic message from her estranged mother in this bittersweet witty novel from the nationally bestselling author of *Someone Else's Love Story* and *Gods in Alabama* an emotionally resonant tale about the endurance of love and the power of stories to shape and transform our lives Born in Alabama Paula Vauss spent the first decade of her life on the road with her free-spirited young mother Kai an itinerant storyteller who blended Hindu mythology with southern oral tradition to reinvent their history as they roved But everything including Paula's birth name Kali Jai changed when she told a story of

her own one that landed Kai in prison and Paula in foster care Separated each holding secrets of her own the intense bond they once shared was fractured These days Paula has reincarnated herself as a tough as nails divorce attorney with a successful practice in Atlanta While she hasn't seen Kai in fifteen years she's still making payments on that Karmic debt until the day her last check is returned in the mail along with a mysterious note I am going on a journey Kali I am going back to my beginning death is not the end You will be the end We will meet again and there will be new stories You know how Karma works Then Kai's most treasured secret literally lands on Paula's doorstep throwing her life into chaos and transforming her from only child to older sister Desperate to find her mother before it's too late Paula sets off on a journey of discovery that will take her back to the past and into the deepest recesses of her heart With the help of her ex-lover Birdwine an intrepid and emotionally volatile private investigator who still carries a torch for her this brilliant woman an expert at wrecking families now has to figure out how to put one back together her own *The Opposite of Everyone* is a story about story itself how the tales we tell connect us break us and define us and how the endings and beginnings we choose can destroy us and make us whole Laced with sharp humor and poignant insight it is beloved New York Times bestselling author Joshilyn Jackson at her very best
