Three Plays Badal Sarkar,2009 Perhaps no other theatre personality has had such a deep and pervasive influence on theatre practice and theory in post independence India as Badal Sircar As a writer of proscenium plays in the 1960s all of which have been widely produced by leading directors in several Indian languages as the pioneer of non proscenium political theatre in the 1970s as the mentor of countless directors and theatre activists who have carried his ideas to far corners of the country his work is an integral part of contemporary Indian theatre history In Procession Sircar recreates the city of Calcutta with its slogans and demonstrations and rallies too often losing their human focus In Bhoma a Sundarban pioneer one of those who cleared the forests and now starves to death confronts a city

demanding ever more luxuries and comforts at the cost of the majority that continues to be exploited in rural India In Stale News the same ironic design recreates as a model for protest and resistance a tribal revolt in the nineteenth century in eastern India Written for the environmental theatre all the plays have been staged widely in the widest possible range of situations and environments not only by Sircar s own group Satabdi but other groups as well **Indian and Foreign Review** ,1973 Mahanayak Uttam Kumar Cultural Guide Tapas Ghose,1997 **A Handbook of West Bengal** Sanghamitra Saha,1998 **Books Recommended for Translation** ,1993 **The Center for Research Libraries Catalogue: Monographs** Center for Research Libraries (U.S.),1969 *Drama Translation and Theatre Practice* Sabine Coelsch-Foisner,2004 Drama translation and theatre practice was the title of our eleventh annual conference held in 2002 in the series Salzburg Conferences on Literature and Culture Pref **Manorama Year Book** ,1999 *Link* ,1987 *Theatres of India* Ananda Lal,2009 *Theatres of India* edited by Professor Ananda Lal is a comprehensive and accessible guide to theatre in India The volume surveys both rural and urban modes of Indian theatre across its history of over 2000 years The first section brings together entries that discuss theatres of India s linguistic regions The second section includes entries on specific forms and genres as well as on topics such as street theatre music and Tagore s dramatic oeuvre The book avoids both the Western scholarship s obsession with traditional Asian forms of performance as well as Indian city based theatre workers view that traditional forms do not even qualify as theatre Theatre in this volume is defined as any form that contains theatre s fundamental element acting Importantly the entries are accompanied by photographs of performances that allow us to view the visual ness of India s performance forms In keeping with the highest standards of international reference publishing Ananda Lal has compiled and edited material from several contributors so that each entry allows us to tap individual documentation and knowledge Also included in this pioneering authoritative and collective resource are short bibliographies for every entry on the regional theatres *Theatres of India* will be useful for general readers theatre professionals as well as students and researchers of theatre and performance studies **Badal Sircar** Natarang Pratishthan,2016 *Indian Author* ,1994
