Zorn, Jr., Shiv Ganesh, 2010-06-02 The thought provoking timely second edition continues to offer a comprehensive global perspective on organizational communication The authors multinational experience consulting and teaching expertise enthusiasm for their subject and engaging style of writing create an inviting foundation for the exploration of this multifaceted topic Each chapter demonstrates the practicality of theory and how practice contributes to the development of theory while challenging readers to build on established knowledge to develop new approaches to the pressing problems in complex multicultural organizations The text is organized topically around the most important issues in organizational communication Five themes recur throughout the chapters the interdependence of internal and external forms of organizational communication the disciplinarity and multidisciplinarity of organizational communication global and multicultural perspectives of organizational communication the unity of theory and practice and critical thinking in the analysis of organizational messages and discourses Discussions highlight language and symbolism The authors weave analysis of the multiple levels of messages throughout the chapters stimulate critical thinking about contemporary work and organizational life approach the familiar as unfamiliar ask probing questions about commonly accepted practices and offer more imaginative ways of working together Readers gain an appreciation for the social political economic technological and ideological contexts in organizations and the place of organizations within the broader culture The authors lead by example in encouraging readers to think about talk about and experience organizational communication in entirely new ways

Storytelling in Business Janis Forman, 2013-01-30 Storytelling can be a lifelong and life sustaining habit of mind a personal inheritance that connects us to our communities It can also serve as an organizational inheritance a management tool that helps businesses to develop and thrive For more than a decade award winning author Janis Forman has been helping executives to tell stories in service of their organizational objectives In Storytelling in Business The Authentic and Fluent Organization she teaches readers everywhere how the craft of storytelling can help them to achieve their professional goals Focusing on the role of storytelling at the enterprise level this book provides a research driven framework for engaging in organizational storytelling Forman presents original cases from Chevron FedEx Phillips and Schering Plough Organizations like those featured in the book can make use of storytelling for good purposes such as making sense of their strategy communicating it and developing or strengthening culture and brand These uses of storytelling generate positive consequences that can have a sustained and significant impact on an organization While large firms employ teams of digital and communication professionals there s much that any of us can extrapolate from their experience to create stories to further our own objectives To show the reach of storytelling Forman conducted 140 interviews with professionals ranging

from CEOs in small and thriving firms to corporate communication and digital media experts to filmmakers arguably the world experts in visual storytelling She draws out specific lessons learned and shows how to employ the road tested strategies demonstrated by these leaders Although this book focuses on storytelling in the context of business Forman takes inspiration from narratives in literature and film philosophical and social thought and relevant concepts from a variety of other disciplines to instruct the reader on how to develop truly authentic and meaningful tales to drive success A final chapter brings readers back to square one the development of their own signature story This book is a pioneering work that guides us beyond the pressure and noise of daily organizational life to influence people in a sustained powerful way It teaches us to be fluent storytellers who succeed by mastering this vital skill *Exploring Internal Communication* Kevin Ruck,2019-12-06 *Exploring Internal Communication* has long been the go to publication for internal communication public relations and human resources practitioners who want their practice to be grounded in research and guided by evidence based advice The new fourth edition has been comprehensively updated throughout to reflect the latest thinking in internal communication Notably the use of social media within organisations is explored in depth in recognition of the increasing integration of digital platforms A greater understanding of the different communication roles played by line managers and senior managers is emerging and this is reviewed to help managers understand what is expected of them and how to succeed as they communicate with employees And the demands of channel management are becoming increasingly complex this edition helps practitioners negotiate this challenge Enriched with models tips and case studies this book is an indispensable tool for both students and practitioners alike *Instructor's Resource Manual for Contemporary Business Communication* Harriet M. Augustin,1998 [Contemporary Business Communication](#) Scot Ober,1995 *The Routledge Companion to Leadership and Change* Satinder K. Dhiman,2023-03-28 The unique leadership challenges organizations face throughout the world call for a renewed focus on what constitutes authentic inclusive servant transformational principled values based and mindful leadership Traditional approaches rarely provide a permeating or systematic framework to garner a sense of higher purpose or nurture deeper moral and spiritual dimensions of leaders Learning to be an effective leader requires a deep personal transformation which is not easy This text provides guidelines in a variety of settings and contexts while presenting best practices in successfully leading the twenty first century workforce and offering strategies and tools to lead change effectively in the present day boundary less work environment Given the ever growing widespread importance of leadership and its role in initiating change this will be a key reference work in the field of leadership and change management in business The uniqueness of this book lies in its anchorage in the moral and spiritual dimension of leadership an approach most relevant for contemporary times and organizations It represents an important milestone in the perennial quest for discovering the best leadership models and change practices to suit the contemporary organizations Designed to be a resource for scholars practitioners teachers and students seeking guidance in the art and science of leadership and change

management this will be an invaluable reference for libraries with collections in business management sports history politics law and psychology It will present essential strategies for leading and transforming corporations small businesses schools hospitals and various nonprofit organizations It brings the research on leadership and change management up to date while mapping its terrain and extending the scope and boundaries of this field in an inclusive and egalitarian manner

Researching Accounting Education Richard M.S. Wilson,2016-04-14 There is no doubt that accounting education scholarship and research in Australia is not only thriving but is amongst the best in the world Nor is there any doubt that Australian scholars in this field punch well above their weight within the international arena This book is not derived from a conventional special issue i e one focussing on a specific theme such as audit education communication in accounting education or the interface between accounting education and professional training Instead it presents a collection of leading edge contributions to accounting education research from Australian scholars on topics which have international relevance These topics reflect the typical breadth of research in this field being undertaken in Australia including coverage of students conceptions of accounting work the impact of entry mode on accounting students approaches to learning listening skills in accounting practice and student s performance in online accounting courses Taken together the contents of this book will help to enhance the educational base of accounting practice by providing guidance to educators in improving their pedagogic practice This book was originally published as a special issue of Accounting Education an international journal
