

# FIGURATIVE LANGUAGE

## Simile

A simile is a type of figurative language which is used to compare one thing against another. Similes compare the likeness of two things and often feature the words 'like' or 'as': "As strong as an ox/ As brave as a lion."

## Oxymoron

An oxymoron is a term which features two words which appear to contradict each other but make sense of the situation overall.

- For example: That woman is pretty ugly.

## Idiom

An idiom is a phrase which bears no literal meaning to the situation it is describing but it implies the facts or story behind it.

- For example: There is a silver lining in every cloud.

## Symbolism

Symbolism is another form of figurative language which is used to express an abstract idea using an item or words.

- For example: We had to put out a red alert.

## Onomatopoeia

Onomatopoeia is a form of figurative language in which words which are used to describe a sound actually resemble the sound they are referring to.

- For example: The ghost said boo.

## Irony

A form of figurative speech is irony. This is when a statement made is directly contradictory to the reality. It is also used to convey a style of sarcasm.

For example:

- I posted on Facebook about how bad Facebook is.
- I won the lottery on my retirement day.

## Metaphor

A metaphor is a phrase describing something as something it is not in reality. It is used to compare two things symbolically. A metaphor literally describes something as something it is not. "Love is a battlefield"

## Hyperbole

A hyperbole is a figure of speech which exaggerates the meaning of a sentence.

- For example: My granddad is as old as time.

## Personification

Personification is a type of figurative language. It is used to give an inanimate object or item a sense of being alive. The speaker would talk to the object as if it could understand and was intelligent.

- For example: Why are you so heavy, suitcase?

## Alliteration

Alliteration is a type of figurative speech in which the repetition of letters or sounds is used within one sentence.

- For example: Eagles end up eating entrails.

## Puns

Puns are a form of figurative language which create a play on words. They add an extra meaning to a subject and are often seen as a form of joke or to be humorous.

- For example: A horse is a very stable animal.

## **Chapter Two Standard Focus Figurative Language Introduction**

In today's digital age, the availability of Chapter Two Standard Focus Figurative Language books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Chapter Two Standard Focus Figurative Language books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Chapter Two Standard Focus Figurative Language books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Chapter Two Standard Focus Figurative Language versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Chapter Two Standard Focus Figurative Language books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Chapter Two Standard Focus Figurative Language books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Chapter Two Standard Focus Figurative Language books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF

books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Chapter Two Standard Focus Figurative Language books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Chapter Two Standard Focus Figurative Language books and manuals for download and embark on your journey of knowledge?
