Traitors Gate:

Traitors' Gate Kate Elliott, 2009-08-18 In *Spirit Gate* and *Shadow Gate* Kate Elliott took readers to the fascinating world of the Hundred a land teeming with an array of cultures gods and conflicts blighted by the shadow of chaos and destruction Now with the same intensity and dramatic sweep that has brought this epic to life Elliott returns to the exquisitely crafted cities and landscapes of the Hundred in a thunderous conclusion to the saga In the darkness of war and destruction forces gather to reclaim the peace Those immortal Guardians who still serve justice seek a means to end the devastating reign of one of their own a hired outlander army struggles to halt the advance of the horde that has despoiled vast lands and slaughtered countless people in its murderous wake while still guarding against a burgeoning threat from an aggressively expansionist empire and the eagle reeves who have long been the only law enforcers of the Hundred struggle to reorganize after a devastating massacre has decimated their numbers But even as these forces give hope to those who would live in peace a terrible danger looms a traitor with Imperial ambitions the most dreaded least anticipated threat of all In the unfolding drama of political upheaval and violent change nothing is certain as alliances dissolve and power shifts with the unpredictability of a desert sandstorm A riotous epic with the vast breadth and excitement only masterful storyteller Kate Elliott can summon *Traitors Gate* will leave her many readers begging for more At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
