Everyman's Constitution Howard Jay Graham,2013-05-31 In 1938 Howard Jay Graham a deaf law librarian successfully argued that the authors of the Fourteenth Amendment ratified after the American Civil War to establish equal protection under the law for all American citizens regardless of race were motivated by abolitionist fervor debunking the notion of a corporate conspiracy at the heart of the amendment's wording For over half a century the amendment had been used to endow corporations with rights as individuals and thus protect them from state legislation By 1968 when *Everyman's Constitution* was first published the Fourteenth Amendment had become a tool for the incorporation of the Bill of Rights to apply to all American citizens The essays in this reprinted edition are still relevant as the nation continues to interpret our framing legislation in light of the concerns of today and to balance citizens rights against those of corporations Howard Jay Graham was a law librarian brought in by the NAACP's legal team to write a brief on the Fourteenth Amendment for the Supreme Court case *Brown v Board of Education* Though the Supreme Court justices ruled in favor of the NAACP based on the sociological rather than historical evidence it provided Graham's work published in various law journals over several decades contributed greatly to the ongoing interpretation of the Fourteenth Amendment **Everyman's Land** C. Everyman's Psychology John Adams,1929 *Everyman's Chemistry* Ellwood Hendrick,1917 [Everyman's House](#) Caroline Bartlett Crane,1925 **The Legitimacy of Poetic Reason** O. Bradley Bassler,2022-09-26 Many philosophical accounts of reason are geared toward providing rational justifications ex post facto rather than accounting for the role reason plays in actu in the process of creative work Moreover when in actu accounts of reason are given they are usually too narrow to describe the sort of high level creative work that is involved in the composition of poetry or the creation of a scientific theory This book suggests that the rudiments of a broader account are found in various German Idealist figures most notably the philosopher novelist critic Friedrich Schlegel and the philosophical poet and novelist Friedrich Hlderlin However German Idealism generally is subject to Hans Blumenberg s secularization critique which provides a strong prima facie argument that the accounts of poetic reason suggested by Schlegel and Hlderlin are indefensible This book argues that confronting Blumenberg s secularization critique and his associated legitimation of modernity with a romantic conception of

poetic reason requires revisions on both sides and that the work of Lacan is especially well suited to provide the conditions upon which a legitimation of poetic reason can be provided

Romans- Everyman's Bible Commentary Alan Johnson,2000-04-01 The book of Romans is one of the best loved books in the entire Bible Paul s explanation of the doctrine of justification by faith is rooted deep within the hearts of most Christians Further the acknowledgment that we are not under law but under grace has given Christians freedom from the bondage of legalism for centuries However Romans is a complex book filled with difficult theology To make this revolutionary book more accessible to the common man Alan Johnson has written Everyman s Bible Commentary on Romans The original two volumes are now combined into one complete volume The commentary is also updated expanded and revised The easy style and careful presentation make this an excellent commentary for laymen and pastors alike Study Paul s discussion of the believer s new life in Christ with their release from sin and death and the faithfulness of God Be encouraged and strengthened with a more in depth understanding of your position before Christ with this commentary on Romans
