Theories in Educational Psychology Alyssa R. Gonzalez-DeHass, Patricia P. Willems, 2012-12-14 Theories in Educational Psychology s purpose is to introduce readers to the pioneering educational psychology theories that continue to shape our understanding of the classroom learning environment present support for the theories from perspectives in the current research literature and share how these theoretical traditions have translated into effective teaching methods Each chapter will be infused with practical teaching examples classroom vignettes and instructional strategies so readers are continually confronted with how theory translates to practice

In addition to becoming familiar with the conceptual understanding of core theoretical knowledge readers will also be presented with current thinking about each theory and an introduction to important related topics at the close of each chapter. The chapters will also conclude with activities designed to help readers reflect on their learning of each chapter's content.

Ministry in the New Marriage Culture Jeff Iorg, 2015-10-01 Same sex marriage is here. So what do pastors and church leaders do now? Churches are now faced with ministry dilemmas unknown to any previous generation. Hoping the problem goes away isn't a reasonable strategy. Christians must answer difficult questions about ministering both to couples in same sex marriages and all the people impacted by those unions. Jeff Iorg, a seminary president and experienced pastor, has assembled some of the leading voices on a range of topics from children's ministry to preaching to legal issues in the new marriage culture. Readers will be equipped perhaps for the first time with practical answers to some of these complex questions.
