*Realtors Institute Reference and Practice Book* National Association of Realtors, 1977. *How to Fund the Life You Want* Robin Powell, Jonathan Hollow, 2022-10-13. WINNER OF THE WORK LIFE BUSINESS BOOK AWARD 2023. An accessible and practical guide to personal finance that busts myths, clarifies jargon, and provides the best options for building your wealth. More and more people are reassessing their lives as a result of the pandemic. Many have left their jobs or reduced their hours. Others have resolved to work only as long as they must, retiring early to focus on families and friends, hobbies, or travel. Meanwhile, employers all over the world are experimenting with a four-day week. Making the most of these choices requires having and growing enough money to enjoy your future life without needing to worry about it running out. But when it comes to investing in a pension, there is a dizzying number of complex options available. This book is designed to provide clear, objective guidance that cuts through the jargon, giving you control over your financial future. The authors strip away the marketing speak, and through simple graphs, charts, and diagrams, provide an evidence-based money manual that you can use again and again. They also alert you to myths and get-rich-quick schemes everyone should avoid. It's a highly practical and refreshingly honest book written by two independent experts who have seen how the investment industry works from the inside and how it profits from complexity, ignorance, and fear. They show in practical language how UK savers and investors can beat this system and crucially make more money for themselves than they do for financial services firms. *The High*
