## **Kayla Itsines Full S Blog:**

**Digital Wellness, Health and Fitness Influencers** Stefan Lawrence, 2022-10-07 This book examines the phenomenon of digital guru media DGM the self styled online influencers life coaches experts and entrepreneurs who post on the themes of wellness health and fitness It opens up new perspectives on digital leisure and internet celebrity culture and asks important questions about the social cultural and psychological implications of our contemporary relationship with digital media Drawing on cutting edge social theory the book explores a wide range of contexts in which DGM intersects with digital leisure from the health related learning of young people to the clean eating movement to the online lives of fitness professionals It asks if digital and social media are problematic per se and explores the problems a turn to the Internet could be revealing about the lack of real world or analogue support as well as potential solutions for our wellness health and fitness needs and wants Bringing together innovative multi disciplinary perspectives this book is fascinating reading for anybody with an interest in leisure studies media studies cultural studies sociology or health and society **The Routledge Handbook of Motherhood on Screen** Susan Liddy, Deirdre Flynn, 2025-04-25 The Routledge Handbook of Motherhood on Screen offers a comprehensive global analysis of the representation of Mothers and Motherhood in contemporary screen industries and online spaces Over five distinct sections this handbook examines how the complexities and realities of contemporary motherhood are translated to the screen Offering a full scholarly overview of the field this handbook provides a ground breaking and important contribution to our understanding of motherhood on screen The geographical and genre reach of the handbook presents new ways of theorising and reframing current scholarly debate and gives a wide ranging and comprehensive contribution to knowledge of on screen representations An international team of established scholars and emerging voices provide analysis of representations from around the world spanning a breadth of genres The chapters situate transnational screen representations of motherhood in the 21st Century and assess the implications of contemporary representation of motherhood Thoroughly challenging and expanding understandings of motherhood and mothers this handbook will be an essential multi faceted publication for researchers and students of film TV animation motherhood gender studies feminism ageing studies anthropology and sociology *Digital Culture in the Platform Era* Shane Tilton, 2025-09-26 This book uses the roles of celebrities in society to frame discussions about digital culture in the platform era and helps us see how we have evolved online in our communication and cultural creations Focusing on the modern types of Internet celebrities influencers opinion leaders nanocelebrities and platform superstars allows us to discuss their online practices and how their work has significantly changed the ways we define our communities within increasingly fragmented digital audiences and platform users Through an exploration of the impact of social media and online communication the book highlights how we are impacted by those who dominate these platforms It identifies three essential components of digital celebrity culture personality reach and content while also providing an in depth analysis of the psychological profiles of four

types of celebrities and their connection to audiences Internet celebrities can show us how to make our relationships more meaningful online by focusing on those communication practices that we learned in public speaking with a focus on informing persuading and inspiring This understanding of purposeful content empowers the average Internet user to build authentic connections in an interconnected digital landscape Celebrities are finally models of good practices when it comes to how they reach their audience Their direct messaging tends to mimic the personal conversations that they have with friends group chats are likely part of the celebrity s inter circle public postings on social media become their announcements to the general public and streaming replicates the standards of traditional media broadcasts Examining these dynamics of personalities content and reach gives us valuable insights into how we can effectively navigate digital interactions and ensure that we can craft online works that resonate with the people that we care about This book gives us the model to use practical communication techniques to be more meaningful online
