Essays in Public Theology Dirkie Smit, 2007-04-01 What is the role of the church in society What role did the church play in South Africa during apartheid in the struggle against apartheid and during the period of transformation The essays collected and published in this volume deal with questions such as these They are all occasional pieces They were written over two decades and reflect the times in which they originated always intended for specific audiences always addressing issues of the particular moment Subjectivity, Language and the Postcolonial Hannah Botsis, 2017-11-10 In *Subjectivity Language and the Postcolonial* Hannah Botsis draws on theoretical work that exists at the intersection of critical social psychology sociolinguistics and the political economy of language to examine the relationships between language subjectivity materiality and political context The book foregrounds the ways in which the work of Bourdieu could be read in conjunction with poststructural theorists such as Butler and Derrida to offer a critical understanding of subjectivity language and power in postcolonial contexts This critical engagement with theorists traditionally from outside of psychology allows for a situated approach to understanding the embodied and symbolic possibilities and constraints for the postcolonial subject This exploration opens up how micro politics of power are refracted through ideological categories such as language race and class in post apartheid South Africa Also drawing on the empirical findings of original research undertaken in the South African context on students linguistic biographies the book offers a unique perspective critical social theory is brought to bear on the empirical linguistic biographies of postcolonial subjects offering insight into how power is negotiated in the postcolonial symbolic economy Ideal for advanced undergraduate and postgraduate students on courses including social psychology sociolinguistics sociology politics and education this is an invaluable resource for students and researchers alike

The Final-Over-Final Condition Michelle Sheehan, Theresa Biberauer, Ian Roberts, Anders Holmberg, 2017-10-27 An examination of the evidence for and the theoretical implications of a universal word order constraint with data from a wide

range of languages This book presents evidence for a universal word order constraint the Final over Final Condition FOFC and discusses the theoretical implications of this phenomenon FOFC is a syntactic condition that disallows structures where a head initial phrase is contained in a head final phrase in the same extended projection domain The authors argue that FOFC is a linguistic universal not just a strong tendency and not a constraint on processing They discuss the effects of the universal in various domains including the noun phrase the adjective phrase the verb phrase and the clause The book draws on data from a wide range of languages including Hindi Turkish Basque Finnish Afrikaans German Hungarian French English Italian Romanian Arabic Hebrew Mandarin Pontic Greek Bagirmi Dholuo and Thai FOFC the authors argue is important because it is the only known example of a word order asymmetry pertaining to the order of heads As such it has significant repercussions for theories connecting the narrow syntax to linear order
