**How Work Works** Michelle P. King, 2023-10-10 A unique and revelatory guide to understanding and navigating the unwritten rules of the workplace the key to achieving success finding meaning and staying true to your authentic self in today's business world from the organizational expert and celebrated author of The Fix In her two decades researching organizations Michelle King has discovered that people who succeed possess a particularly unique skill They

know how workplaces work More specifically to get ahead they do not rely on the often generic and outdated written formal rules that for a century have defined the workplace Instead they have learned to gauge how they should behave and perform by becoming aware of informal and unspoken rules that exist just below the surface rather than formal organizational guidelines In this one of a kind guide King offers her proprietary framework based on over ten years of research and hundreds of employees who reached leadership positions By focusing on five key areas navigating informal networks developing self awareness and awareness of others learning the skills you need to be adaptive to changing conditions getting support for your next promotion and finding meaning and fulfillment at work King teaches every professional how to understand and make these systems work for them and achieve their career ambitions The new world of work requires a new way of working With more people vying for top positions a volatile unpredictable global workplace and an ever evolving landscape it is increasingly important for employees to understand how to negotiate the unspoken and intangible elements of workplace culture In *How Work Works* King dispels old myths and provides keen observations about what it means to find belonging build networks manage the informal and ultimately thrive at work

[Liquid Manifesto](#) Guillermo Lopez Moratinos Arie Van Bennekum, 2018-11-19 The Liquid Manifesto can be seen as the next step of the Agile Manifesto expanding its scope to cover an entire digital transformation where data intelligence architecture products services physical spaces culture and leadership are transformed to become liquid and respond to the needs of the digital modernity The Liquid Manifesto is an evolution of the Agile Manifesto and it is aimed to state the basis of a digital transformation of any organization regardless of its size or sector The Liquid manifesto is based on this simple premise Any organization needs to be a liquid organization to become digital It is simple to be able to fast deliver innovative products and services that provide a digital experience to customers and employees any organization needs to change their DNA from solid to liquid state being careful not to become gas The Liquid manifesto states a simple but comprehensive and interconnected framework to properly design a powerful digital transformation where every part of the organization aims the same principles and enable the same conditions to really achieve and sustain the digital transformation The Liquid manifesto makes an analogy between the liquid state of matter and what a liquid organization is The Liquid manifesto identifies the liquid organization design principles the four organizational dimensions where transformational efforts are required to ensure these principles and the required environment to enable and sustain the transformation
