Agile Testing Essentials Lisa Gregory, 2017 4 Hours of Video Instruction Agile Testing Essentials LiveLessons is based on fundamental concepts from Lisa Crispin's and Janet Gregory's two best selling books Agile Testing A Practical Guide for Testers and Agile Teams and More Agile Testing Learning Journeys for the Whole Team By the end of the course participants will understand how testing fits into short and frequent delivery cycles and how each team member can contribute to the success of a quality product Every team member including testers programmers team facilitators business analysts designers product owners and product managers will find value in this course Goal To introduce basic understanding of how agile teams build quality into their product with the whole team engaged in testing activities throughout the delivery cycle Testing is critical to the successful delivery of a quality product not a phase to be executed right before delivery Approach Each topic starts with a presentation of the material assisted with slides and or a live discussion between Janet and Lisa Examples are used throughout to help explain the topic and there is an opportunity for participants to practice different techniques through exercises After each exercise Janet and Lisa discuss how they approach the exercise and guide participants in connecting what they've learned with their own teams and projects Related Content Lisa Crispin and Janet Gregory are co authors of More Agile Testing Learning Journeys for the Whole Team Addison Wesley 2014 and Agile Testing A Practical Guide for Testers and Agile Teams Addison Wesley 2009 as well as authors and contributors to other software development books Their book website is www.agiletester.ca About the Instructors Lisa Crispin has worked as a tester and agile testing coach on awesome agile teams since 2000 Her peers voted her the Most Influential Agile Testing Professional Person in 2012 Together with Janet she developed a three day agile testing training course Please visit www.lisacrispin.com for her blog along with links to publications podcasts and webinars Follow Lisa on Twitter [lisacrispin](https://twitter.com/lisacrispin) Janet Gregory is an agile testing coach and process consultant with DragonFire Inc Janet works with teams to transition to agile development and teaches agile testing courses and tutorials worldwide Her peers voted her the Most Influential Agile Testing Professional Person in 2015 For more about Janet's work and her **ISTQB® Certified Tester Foundation Level** Lucjan Stapp, Adam Roman, Michaël Pilaeten, 2023-11-23 This book is aimed at everyone preparing for the ISTQB Certified Tester Foundation Level exam based on the Foundation Level syllabus version 4.0 published in 2023 It provides candidates with reliable knowledge based on this document and thus distinguishes itself from all the information

about ISTQB syllabi and exams on the Internet which is often of rather poor quality and may even contain serious errors The book expands and details many issues that are described in the new 2023 version of the syllabus in a perfunctory or general way only According to the ISTQB guidelines for syllabus based training an exercise must be provided for each learning objective at the K3 level and a practical example must be provided for each objective at the K2 or K3 level In order to satisfy these requirements the authors prepared numerous exercises and examples for all learning objectives at these levels In addition for each learning objective one or more sample exam questions are presented which are similar to those that the candidate will see in the exam This makes the book an excellent aid for studying and preparing for the exam and verifying acquired knowledge
