An Obedient Father:

An Obedient Father Akhil Sharma,2022-07-12 Revised and featuring a new foreword by the author this uncompromising novel returns more powerful than ever A portrait of a country ravaged by vendetta and graft its public spaces loud with the complaints of religious bigots and its private spaces cradling unspeakable pain Hilary Mantel New York Review of Books An Obedient Father introduced one of the most admired voices in contemporary fiction Set in Delhi in the 1990s it tells the story of an inept bureaucrat enmired in corruption and of the daughter who alone knows the true depth of his crimes Decried in India for its frank treatment of child abuse the novel was widely praised elsewhere for its compassion and for a plot that mingled the domestic with the political tragedy with farce Yet as Akhil Sharma writes in his foreword to this new edition he was haunted by what he considered shortcomings within the book almost twenty years later he returned to face them Here is the result a leaner surer version with even greater power

The Plays of William Shakespeare ... William Shakespeare,1809 *Volume 1 of Ezekiel's Story - The Whirlwind* Robert Fodge,2016-03-07 The book of Ezekiel contains unique information about God s chosen people The whole scope of God s love sovereignty power omniscience righteousness mercy anger wrath and judgment towards saved but rebellious people is revealed God s treatment of His chosen people is a model of the way that He treats with saved but rebellious individuals In 1 Pet 4 17 18 Peter said For the time is come that judgment must begin at the house of God and if it first begin at us what shall the end be of them that obey not the gospel of God And if the righteous scarcely be saved where shall the ungodly and the sinner appear Ezekiel s story of the whirlwind is the account of the reason for God s judgment of the nation of Israel and corresponds perfectly with Peter s statement that judgment must begin at the house of God That nation was outwardly committed to God They maintained that they trusted in God but they were guilty of being like neighboring nations [The plays of William Shakspeare, with the corrections and illustr. of various commentators, to which are added notes by S.
