Beginning Everything Robyn Schneider:

The Beginning of Everything Robyn Schneider, 2013-08-27 Robyn Schneider's *The Beginning of Everything* is a witty and heart wrenching teen novel that will appeal to fans of books by John Green and Ned Vizzini novels such as *The Perks of Being a Wallflower* and classics like *The Great Gatsby* and *The Catcher in the Rye*. Varsity tennis captain Ezra Faulkner was supposed to be homecoming king but that was before before his girlfriend cheated on him before a car accident shattered his leg and before he fell in love with unpredictable new girl Cassidy Thorpe. As Kirkus said in a starred review Schneider takes familiar stereotypes and infuses them with plenty of depth. Here are teens who could easily trade barbs and double entendres with the characters that fill John Green's novels. Funny, smart, and including everything from flash mobs to blanket forts to a poodle who just might be the reincarnation of Jay Gatsby. *The Beginning of Everything* is a refreshing contemporary twist on the classic coming of age novel, a heart wrenching story about how difficult it is to play the part that people expect and how new beginnings can stem from abrupt and tragic endings.

Time of Our Lives Emily Wibberley, Austin Siegemund-Broka, 2020-04-21 Emily and Austin have a reputation for delivering heartwarming, provoking, and real contemporary YA novels. *BuzzFeed*: A reflective romantic coming of age novel that explores life after high school, perfect for fans of *Fangirl* and *Emergency Contact*. A boy desperate to hold on to a girl ready to let go, Fitz Holton waits in fear for the day his single mother's early onset Alzheimer's starts stealing her memory. He's vowed to stay close to home to care for her in the years to come, never mind the ridiculous college tour she's forcing him on to visit schools where he knows he'll never go. Juniper Ramirez is counting down the days until she can leave home, a home crowded with five younger siblings and zero privacy. Against the wishes of her tight knit family, Juniper plans her own college tour of the East Coast with one goal: get out. When Fitz and Juniper cross paths on their first college tour in Boston, they're at odds from the moment they meet while Juniper's dying to start a new life apart from her family. Fitz faces the sacrifices he must make for his. Their relationship sparks a deep connection; in each other's eyes, they glimpse alternate possibilities regarding the first big decision of their adult lives. *Time of Our Lives* is a story of home and away, of the wonder and weight of memory, of outgrowing fears and growing into the future.
