How to Earn Your OSHA 30 DOL Card

After successfully completing OSHA 30-hour training, you will receive an official OSHA 30 DOL card in construction or general industry. OSHA Education Center will deliver your plastic, wallet-sized OSHA 30 card by mail at no additional cost.

Directly after you finish the course, you can download a certificate of completion. While waiting for your OSHA 30 card to arrive in the mail, you can give the certificate to your employer for proof of training completion.

OSHA Certification

Some employers tell workers they need to get an OSHA certification — but OSHA doesn't actually consider the OSHA card a certification. If a boss or safety manager says you need to get OSHA certified, that typically means you need to complete Outreach training and earn an OSHA DOL card.

To make sure you get the right OSHA card, ask your employer which card is required for your position and work responsibilities.
