*Persian Girls* Nahid Rachlin,2007-12-27 For many years heartache prevented Nahid Rachlin from turning her sharp novelist's eye inward to tell the story of how her own life diverged from that of her closest confidante and beloved sister Pari Growing up in Iran both refused to accept traditional Muslim mores and dreamed of careers in literature and on the stage Their lives changed abruptly when Pari was coerced by their father into marrying a wealthy and cruel suitor Nahid narrowly avoided a similar fate and instead negotiated with him to pursue her studies in America When Nahid received the unsettling and mysterious news that Pari had died after falling down a flight of stairs she traveled back to Iran now under the Islamic regime to find out what happened to her truest friend confront her past and evaluate what the future holds for the heartbroken in a tale of crushing sorrow sisterhood and ultimately hope *The Boarding School Girls* Soosan Latham,Roya Ferdows,2017-09-06 They were children Put on a train in a strange land they waved goodbye to a parent as they headed to an educational institution that unbeknownst to them was to become their new home Separated from their loving families they strived to meet the expectations of the grownups and in some cases to rebel against them Now independent women compassionate mothers and astute professionals they look back on their youth in the 1960s and 1970s to make sense of why they were sent away and to give meaning to the sources that have sustained them over the years Ex boarders themselves Latham and Ferdows provide vivid and emotionally embodied narratives of everyday lives of The Boarding School Girls This unique collection of stories explores key issues of identity and lifespan development to seek understanding of the influence of national religious and family culture on development within two conflicting sets of cultural values Combining unique qualitative data with illuminating tales of resilience and accomplishment in what is likely to simultaneously inform and inspire readers with feelings of joy and sadness love and hate abandonment and hope but mainly trust and forgiveness The stories of eleven little rich Persian girls are a nostalgic reminder of their past cross cultural ordeals a pragmatic perspective on psychological implications of boarding school education in England and a celebration of the possibilities of the future The Boarding School Girls is valuable reading for students in cultural developmental and educational psychology and the humanities as well as clinical psychologists and educators looking at the impact of boarding school on adolescent development *Woman's Work* ,1918 *Esther Oil Women Professing Godliness* Barbara Sword Turner,2017-12-15 My first point of view is the highlighting of Esthers preparation to become queen of Persia just what the process entailed Information pertaining to oil throughout biblical history alone with other ingredient derivatives was used in the preparation process for Esther What a blessing to discover the benefits of using olive oil I have never considered the use of oil before The interest came after reading the book of Esther Essential oil such as myrrh combined with other ingredients has a special effect and the anointing oil products have spiritual benefits as well Constantly we need revelation concerning the wisdom of Yahweh for our lives We face situations that call for divine wisdom and understanding The book is a helpful resource
