questions about how to live Meditations for Mortals offers a powerful new way to take action on what counts a guiding philosophy of life Oliver Burkeman calls imperfectionism It helps us tackle challenges as they crop up in our daily lives our finite time the lure of distraction the impossibility of doing anything perfectly How can we embrace our non negotiable limitations Or make good decisions when there s always too much to do How do we shed the illusion that life will really begin as soon as we can get on top of everything Reflecting on quotations drawn from philosophy religion literature psychology and self help Burkeman explores a combination of practical tools and daily shifts in perspective The result is a life enhancing and surprising challenge to much familiar advice and a profound yet entertaining crash course in living more fully A map for a liberating journey toward a more meaningful life a journey that begins where we actually find ourselves not with a fantasy of where we d like to be from the New York Times bestselling author of Four Thousand Weeks **Four Thousand Weeks**

Oliver Burkeman,2021-08-10 AN INSTANT NEW YORK TIMES BESTSELLER Provocative and appealing well worth your extremely limited time Barbara Spindel The Wall Street Journal The average human lifespan is absurdly insultingly brief Assuming you live to be eighty you have just over four thousand weeks Nobody needs telling there isn t enough time We re obsessed with our lengthening to do lists our overfilled inboxes work life balance and the ceaseless battle against distraction and we re deluged with advice on becoming more productive and efficient and life hacks to optimize our days But such techniques often end up making things worse The sense of anxious hurry grows more intense and still the most meaningful parts of life seem to lie just beyond the horizon Still we rarely make the connection between our daily struggles with time and the ultimate time management problem the challenge of how best to use our four thousand weeks Drawing on the insights of both ancient and contemporary philosophers psychologists and spiritual teachers Oliver Burkeman delivers an entertaining humorous practical and ultimately profound guide to time and time management Rejecting the futile modern fixation on getting everything done Four Thousand Weeks introduces readers to tools for constructing a meaningful life by embracing finitude showing how many of the unhelpful ways we ve come to think about time aren t inescapable unchanging truths but choices we ve made as individuals and as a society and that we could do things differently **Why Limit Wip** Jim

Benson,2014-06-01 Personal Kanban transformed how we think about our own personal productivity Why Limit Your WIP will transform how organizations and teams think about and manage their work The tale in this book will hurt because you ll have undoubtedly lived with the consequences of people being stretched too thin work constantly blocked or in queue projects chronically late and people getting burned out Gene Kim author of The Phoenix Project from the Foreword We are distracted We are overburdened We are unfocused Our work suffers for this Our companies suffer for this We snatch failure from the jaws of success Limiting WIP is the breakthrough strategy for starting less and completing more Written by Jim Benson author of the Shingo Research Award winning Personal Kanban urban planner software developer and business owner who has planned and built everything from small software projects to houses to urban freeway systems Why Limit WP is told by
