Smither, 2012-07-20 From a mission field to a missions sender These words capture the story of the Brazilian evangelical church which has gone from receiving missionaries in the nineteenth and twentieth centuries to becoming a movement that presently sends out more global laborers than the churches of England or Canada do After narrating Brazil s missional shift in this volume Smither addresses one fascinating element of the story Brazilian evangelical efforts in the Arab world How have Brazilians adapted culturally among Arabs how have they approached ministry and how have they cultivated a theology of mission in the process

**Missions** Gailyn Van Rheenen, 2014-07-22 In a rapidly changing world the central missionary vision of the church must be constantly renewed lest its foundations become lost in the confusion of change or its practices trapped in missionary models of the past In this second edition of *Missions* long time missionary Gailyn Van Rheenen revises and updates his classic text on Christian missions laying sound theological and strategic foundations for the missionary of today and tomorrow Van Rheenen helps renew the missionary vision by discussing areas such as The history of Christian mission and how it affects where we are today Spiritual formation for God's mission The missionary cycle Cross cultural communication The character and calling of missionaries Types of missionaries Church maturation Selecting mission fields The role of money in missions Four levels of involvement in missions But *Missions* is more than blackboard theory Written by a long time missionary it carries the conviction and insights of one who has lived his subject Accessible to students practitioners and laypeople alike *Missions* provides a primary go to resource for understanding and becoming involved in the dynamic activity of world missions

**Understanding Insider Movements** Harley Talman, John Jay Travis, 2015-09-01 Disciples of Jesus within Diverse Religious Communities For the first time in history large numbers of people from the world's major non Christian religions are following Jesus as Lord Surprisingly for many Western Christians they are choosing to do so within the religious communities of their birth and outside of institutional Christianity How does this work and how should we respond to these movements This long awaited anthology brings together some of the best writings on the topic of insider movements Diverse voices explore this phenomenon from the perspectives of Scripture history theology missiology and the experience and identity of insider believers Those who are unfamiliar with the subject will find this book a crucial guide to a complex conversation Students and instructors of mission will find it useful as a reader and reference volume Field workers and agencies will discover in these chapters welcome starting points for dialogue and clearer communication The first book to provide a comprehensive survey of the topic of insider movements *Understanding Insider Movements* is an indispensable companion for those who want to glimpse the creative unexpected boundary crossing ways God is at work among the peoples of the world in their diverse religious communities

**Contextualizing Missionary and National Identity** David Symon, 2026-02-03 Missionaries are called to cross boundaries for the sake of the gospel adapting to new contexts and becoming all things to all people In such a role how are missionaries to negotiate their own national identities Do they simply suppress them or can such identities rightly understood be harnessed for the glory of Christ In this study of the national facet of missionary identity Dr David Symon examines the specific example of Protestant Czech missionaries serving in the countries of the former Yugoslavia Through interviews and related primary sources including personal diaries Symon demonstrates that an awareness of Czech national identity and its interplay with other facets of missionary identity can actually serve as a tool to reduce prejudice and increase effective contextualization for those

ministering among Slavs in Bosnia and Herzegovina Croatia Kosovo Montenegro North Macedonia Serbia and Slovenia While centered on the context of mission in the Western Balkans this book has implications for anyone engaged in international ministry for the sake of the gospel

**Mission in Motion** Jay Matenga, Malcolm Gold, 2016-08-25 Never before has the phenomenon of mission mobilization been so broadly researched In a vein similar to *Too Valuable To Lose* and *Worth Keeping the World* Evangelical Alliance Mission Commission commissioned a research team to investigate what motivates people into mission service from around the globe Mobilization practitioners recorded translated and transcribed hundreds of hours of interview dialogue that explored reasons for mission involvement from Eastern Europe Western Europe North and South America Oceania East Asia South Asia and East Africa The data was subsequently analyzed to draw out common themes and *Mission In Motion* presents the results of this research This book is the first definitive exploration of the recent history ministries and methods of mission mobilization The evangelical missions community is expending much energy and resource trying to raise up workers for the Lord s harvest but is it helping Are the means models methods and mechanisms being applied to this end effective What does influence people to greater involvement in mission whatever they understand mission to be Furthermore what hinders it In addressing these questions *Mission In Motion* allows the interviewed respondents to speak for themselves in an open and frank manner Some results confirm common beliefs but others may surprise you

**The Mission of God and You** Lori McDaniel, 2023 You Have a Purpose God Has a Part for You to Play in Something Big You were created by God called to follow Christ and commissioned to make disciples When Jesus gave this commission it wasn t a last minute thought before he ascended into heaven It was a mandate for all his followers to participate in a movement of God already in motion What is God s will for my life Where does my life fit into God s purpose If the idea that you have a purpose and mission feels daunting keep in mind that you cannot mess up the story of what God is doing But you can miss out on being a part of it *The Mission of God and You* will expand your missional view of the Bible and your biblical view of the world You ll traverse the globe and grasp the urgency of our mission You ll hear the stories of a great cloud of witnesses both past and present and gain perspective on how God has worked and is working You ll be challenged to leverage every season of your life to advance the gospel to the ends of the earth Don t wait God is inviting you to participate in the most significant movement the world has ever known
