prayers should flow from our innermost longings and desires which we should not be afraid to express to God in prayer regularly Men must continue to pray and not to give up Jesus remarked in Luke 18 1 He presented the story of an unfair judge who care less about giving justice to a poor widow who despite this could win justice merely by asking the judge to give her the justice she was seeking regularly So our Lord stated we should pray to God with the same tenacity not because God is a hesitant judge but that the example of even an unjust judge giving in at the end to his petitioner s constant supplication was a lesson to Christians to pray As a result persistence in prayer is an important aspect of prayer It shows not just that we truly want what we re asking for but also that we trust God will respond You ll discover what it means to be concise in prayer how to apply God s word to a real life situation how to stand on God s word in prayer how to demand what is properly yours in prayer how to put the word to work and much more in this new book Pastor Fola Ademolu is a Bible teacher and a prayer warrior whose prayer lectures have helped and influenced countless lives throughout the world As a preacher of the word of faith he has integrated the word with prayer resulting in more effective prayers Seven Steps for Judging Prophecy Kenneth E.
