

THE ATTRIBUTES of GOD

To study God's attributes is to study his character, to answer questions like, *Who is God?* and *What is God like?* A typical classification of God's attributes divides them into those that are **incommunicable** (those that he does not share or "communicate" to anyone or anything else) and **communicable** (those that he shares with other beings). Like most theological classifications, this one is imperfect but still helpful as we seek to understand what is to be beyond ourselves.

God's communicable attributes can be further categorized into attributes of God's being, mental attributes, moral attributes, attributes of purpose and "summary" attributes (attributes that, in a more particular way, modify each of the others).

It is important to consider that God is not simply the sum of his attributes. His attributes are not separate from one another, but each one modifies or qualifies each of the others.

The Attributes of God in Islamic Thought Mansooreh Khalilizand, 2024-03-18 The debate over Allah's attribute the nature and the inner articulation of Allah is one of the focal debates in the intellectual history of Islam This edited collection aims to highlight and examine some aspects of this debate in their original context based on the relevant primary literature By showing that even an apparently self evident concept such as Allah which lies at the heart of every reading of Islam is highly ambiguous and polysemous the chapters also emphasise the plurality that has always existed in Islamic thought Through highlighting the philosophical and theological reflections on the concept of Allah the results of this study challenge the juristic reading of Islam in which Allah's function consists mainly

in providing a detailed plan for the human life and also rewarding or punishing the ones who deviates from it The book also attempts to demonstrate the relevance and the actuality of the tradition and to stress its contemporaneity This volume makes a significant part of the intellectual tradition of Islam accessible for students and scholars of Islamic theology Islamic philosophy Islamic studies and the like as well as providing a secondary source for teaching on the debate in question

The Knowledge of the Holy A. W. Tozer, 2022-01-27 This classic of Christian testimony and devotion explores the attributes of God in words that fly straight to the heart A superb aid to strengthening and deepening the spiritual life each chapter begins with a prayer lucidly discusses a divine aspect from God s infinity to God s love and relates that aspect to today s world while pointing always to God s wonder and inscrutability A W Tozer asserts that the cause of many of our modern spiritual woes is the loss in today s church of a lofty concept of God He argues persuasively that the cure lies in our rediscovery of God s majesty True religion confronts earth with heaven and brings eternity to bear upon time says the author in his preface The messenger of Christ though he speaks from God must also as the Quakers used to say speak to the condition of his hearers otherwise he will speak a language known only to himself His message must be not only timeless but timely He must speak to his own generation The message of this book is indeed both timeless and timely Tozer is primarily concerned with the loss of the concept of majesty from the popular mind and more importantly in the thinking of the church He sees the church as having surrendered her once lofty concept of God not deliberately but little by little and without her knowledge With this comes a further loss of religious awe and a sense of the divine presence of an appropriate spirit of worship and of our ability to withdraw inwardly to meet God in adoring silence Tozer attempts to address this problem to go back to the causes of the decline and to understand and correct the errors that have given rise to our loss of a sense of the holy It is impossible to keep our moral practices sound and our inward attitudes right while our idea of God is erroneous or inadequate he tells us

25 Facts of God Matt Given, 2011-11 ABOUT THE BOOK What is the most important thing about you Regardless of what many think your Beliefs about God are what matter most They affect everything about you They impact how you view the world your trials and even how you view yourself The

character of God is not instinctual to us. It takes a transformed mind to see God as He really is. There are no shortcuts. A transformed heart comes only from a transformed mind, one that thinks differently and more accurately about God. Immersing ourselves in the character and attributes of God does just that: it transforms our thinking and our hearts.

25 Facts of God reveals to us the God of the Scriptures, not the God of our experiences, desires, or imagination. Matt has given us a simple but helpful way to push us outside of our little world of what's going on with us and to think about God. And there's nothing better you could give some thought to each day. The chapters are short, but the content is rich because it's about the greatness of our God.

Brad Bigney, Senior Pastor, Grace Fellowship Church. With the mind of a theologian and the story-telling prowess of a youth pastor, Matt takes the hard truths of theology and delivers them in an accessible and highly readable package, introducing his readers to both key points in biblical thinking about God as well as key thinkers. Matt gives you the highlights of Tozer, Pink, Grudem, Packer, and others in this guide to the things of God.

Pam Gillaspie, Author and Speaker, Sweeter than Chocolate Precept Ministries International. This is an easy read to get us to embrace hard concepts about God and what He is like. Matt quotes scholars and heavy books but always explains them in such a way that we can see how the truth affects our daily choices. He is loyal to Scripture and our Lord's revelation of Himself and savvy about how crucial all of this is.

Knute Larson, Senior Pastor (retired), The Chapel in Akron, Ohio. In the current age where the church is hopelessly ignorant regarding the character of God, Matt offers wonderful snapshots of 25 important facts regarding the attributes and character of God. Through sound biblical and theological scholarship and an engaging writing style, 25 Facts of God leads us into an engagement with the character of the Living God.

Perry G. Downs, Professor, Trinity Evangelical Divinity School. ABOUT THE AUTHOR: Matt is a graduate of Trinity College and Trinity Evangelical Divinity School. He is a former youth pastor currently ministering to singles. Contact Matt for further information on hosting a Weekend Walk Thru the Attributes of God.

Meditating on the Attributes of GOD GERARD ASSEY, 2021-03-18

When we speak of God's attributes, we are talking about those characteristics that help us to understand who He truly is. An attribute of God is not a part of God, not component parts of God. In other words, God is not 15% love, 25% holy, 5% righteousness, 10% mercy, etc. Each attribute describes His total being. For example, love is not just a part of God's nature; God in His total being is love. Holiness is not just a part of God's nature; God in His total being is holy. And God will not compromise one of His attributes when exhibiting another attribute of His. So we always need to remember that God is the sum of all perfections, and because of which we must be careful when we study the attributes of God that we do not emphasize one attribute at the expense of the others. What you will find in this book, *Meditating on the Attributes of GOD*, are just some of His attributes and are in no way thorough, as God is infinitely far above and beyond our ability to fully understand and comprehend Him. Our finite minds cannot reason fully, not even a fraction of Who God is, but the Bible communicates what He is like so that we can know Him better. God tells us through His very Word, specific truths about Himself so that we can know what He is like and

be drawn to better worship Him God's manifold attributes shine most clearly in His Son Jesus Christ who came to reveal His Father Through Christ's saving work on the cross we are able to know and worship God rightly And once we begin to grasp Who God really is and what He is like it will make a difference in our lives Properly understanding God is the key to trusting Him enough that He can live through you A W Tozer wrote What comes into our minds when we think about God is the most important thing about us A right view and understanding of God is essential if we are to develop trust and faith in Him and have real purpose in living So why learn about the attributes of God As someone very well put it A man's own character will necessarily be determined by the character of the god whom he worships What you are and what you will turn out to be in life is affected by whom or what you worship Therefore in order to have a true understanding of Who God is so as to rightly worship this God of the Bible we must have a right understanding of His attributes Though there are many good reasons why it is important for us to understand the attributes of God here are just 3 key reasons as to why I believe it is important for us to do so 1 It pleases God 2 It saves and protects us from having a wrong view of God 3 The result is joy in our hearts This book therefore aims to help us study and understand the attributes of this infinite God so that we delight in and love Him with all our heart soul strength and mind As you will notice this book dwells on twelve key attributes that have been selected one for every month And as you get into a particular month with a specific attribute for that month you will find 31 verses pertaining to that said month's attribute Use this devotional to enrich your time set apart with God by taking one description of Him and meditating on that for the whole day along with the accompanying passage I pray that this book will help you in your worship of God the purpose you were created for by focusing on Him and His character
