went inside the world of the outlaws to understand whether such drastic measures were justified or whether this was a fear campaign designed simply to win elections For the next six years Shand mixed with bikers talking to them about their lives and listening to their stories He travelled with them on the road spent time in their clubhouses attended funerals and other club functions He wanted to understand why men joined these secretive arcane organisations which seemed to be at odds with the rest of society What he found were not crime gangs but brotherhoods battling for their survival against threats from within and without By 2011 the bikers had won historic victories in the High Court As Mike Rann s premiership imploded the bikers were still riding high and living free The hysteria was beginning to ebb Outlaws explains how all this came to pass
