Panini World Cup:

World Cup Fever Simon Kuper,2026-03-03 The story of how soccer has transformed the world as seen through nine World Cups by one of our most talented writers on the sport The World Cup is the biggest sporting spectacle on Earth a chance every four years for the greatest players to win international glory and a month long media event that s watched by an audience of billions But the tournament has changed beyond recognition since the inaugural event in Montevideo Uruguay in July 1930 What was once a semi professional meeting beset by haphazard play has evolved to become a game of multinational buyouts dubious ethics and questionable aims and the new era of soccer has much to tell us about the globalized world Simon Kuper is among the vanishingly small number of writers who have attended every World Cup since 1990 World Cup Dreams is his journey to find the heart of soccer through the nine tournaments he s experienced first hand from watching matches in half empty stands during Italia 1990 a tournament that at times felt like a village fete to witnessing the French triumph at home in 1998 South Africa s national dream in 2010 and the troubling legacy of Qatar in 2022 Told on the pitch in the stands in the pubs and on the streets this is the story of how soccer has changed the world **Stuck on You**
