**A Project Manager's Book of Forms** Cynthia Snyder Dionisio, 2017-11-21 Essential project management forms aligned to the PMBOK Guide Sixth Edition A Project Manager's Book of Forms is an essential companion to the Project

Management Institute's *A Guide to the Project Management Body of Knowledge* Packed with ready-made forms for managing every stage in any project this book offers both new and experienced project managers an invaluable resource for thorough documentation and repeatable processes. Endorsed by PMI and aligned with the PMBOK Guide, these forms cover all aspects of initiating, planning, executing, monitoring, and controlling, and closing. Each form can be used as is directly from the book or downloaded from the companion website and tailored to your project's unique needs. This new third edition has been updated to align with the newest PMBOK Guide and includes forms for agile, the PMI Talent Triangle, technical project management, leadership, strategic, and business management, and more. The PMBOK Guide is the primary reference for project management and the final authority on best practices, but implementation can quickly become complex for new managers on large projects or even experienced managers juggling multiple projects with multiple demands. This book helps you stay organized and on track, helping you ensure thorough documentation throughout the project life cycle. Adopt PMI-endorsed forms for documenting every process group. Customize each form to suit each project's specific needs. Organize project data and implement a repeatable management process. Streamline PMBOK Guide implementation at any level of project management experience. Instead of wasting time interpreting and translating the PMBOK Guide to real-world application, allow PMI to do the work for you. *A Project Manager's Book of Forms* provides the PMBOK-aligned forms you need to quickly and easily implement project management concepts and practices.

[A Guide to the Project Management Body of Knowledge](#), 2018. The PMBOK Guide Sixth Edition, PMI's flagship publication, has been updated to reflect the latest good practices in project management. New to the Sixth Edition, each knowledge area will contain a section entitled "Approaches for Agile, Iterative, and Adaptive Environments" describing how these practices integrate in project settings. It will also contain more emphasis on strategic and business knowledge, including discussion of project management business documents and information on the PMI Talent Triangle and the essential skills for success in today's market.
