*Waves of Protest* Jo Freeman, Victoria Johnson, Victoria Lee Johnson, 1999 This book updates and adds to the classic Social Movements of the Sixties and Seventies showing how social movement theory has grown and changed from an earlier emphasis on collective behavior to the resource mobilization approach and currently to analyses that emphasize culture ideology and collective identity Top social scientists combine insiders insights with critical analyses to examine a wide variety of social movements active in the most recent U S cycle of protest *Waves of Protest* is a must read for students of social movements social change political sociology and American studies *Strategic Organizational Diagnosis and Design*

Richard M. Burton, Borge Obel, 2012-12-06 We will not repeat our preface discussion from the first edition Here we only add some new comments a note to the reader and user changes in the book and the Organizational Consultant OrgCon and our thanks to the many individuals who have contributed critically to this venture read and reviewed the book contributed chapters and cases and similarly used and critiqued the OrgCon For the reader there are two very contrasting approaches to reading this book and learning about organizational design The more traditional approach is to read the book and then use the OrgCon on cases and applications The second approach is to begin with the OrgCon software and only examine the book as you find it helpful Which approach is better It is your choice not ours In our experience students in organizational design prefer to start with the OrgCon and a case rather than with the book itself Readers who have more background in organization theory and design usually examine the book first We have tried to write the book so that it can serve both as a reference and an integrated presentation **Collective Behavior and Social Movements** Russell L. Curtis, Benigno E.

The Top Books of the Year The Consequences Of Professionalization And Formalization The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Consequences Of Professionalization And Formalization : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
