Brief-Writing Master Plan Chinua Asuzu, 2022-08-23 As much a sword as a shield, Brief Writing Master Plan offers an unparalleled and unprecedented curriculum of written advocacy. It's a sparkling alchemical blend of doctrine, ethics, and skills. It recruits linguistics, logic, psychology, rhetoric, and semantics into the arsenal of learned advocacy. It contains the rhetorical wisdom of ages, pages, and sages. An advocate files a brief to persuade the judge to decide the lawsuit in favor of the advocate's client. The keyword is persuade. Too often, advocates forget this and write to please themselves. They address themselves instead of the court. They write in chest-thumping prose and style. Advocates will do well to keep in mind that in advocacy, all that counts is persuading the judiciary. Hence, Brief Writing Master Plan responds to the judicial wish list for advocates: writing style and substance. This book is a transformative resource with the potential to accelerate court proceedings by easing judicial burdens and caseloads. A sober reflection on the advocate's duty to the court, Brief Writing Master Plan encourages professional candor, decency, and honesty. Writing as taught in this book will surely propel you to the top 1% of the global legal profession and secure your legacy.
