- A change in an Accounting Policy should be made only –**
 - If the adoption of a different accounting policy is required by Statute, or
 - For compliance with an Accounting Standard, or
 - If it is considered that the change would result in a more appropriate presentation of the Financial Statements of the enterprise.
- Disclosure Requirements of Changes in Accounting Policies:**
 - Disclosure:** Any change in an accounting policy, which has a material effect should be disclosed.
 - Current Effect of Change:** The impact of, and the adjustments resulting from such change, if material, should be shown in the Financial Statements of the period in which such change is made, to reflect the effect of such change. Where the effect of such change is not ascertainable, wholly or in part, the fact should be indicated.
 - Future Effect of Change:** If a change is made in the accounting policies which has no material effect on the Financial Statements for the current period but which is reasonably expected to have a material effect in later periods, the fact of such change should be appropriately disclosed in the period in which the change is adopted.
- Computations, as per AS – 5.**
