step moves including entries sweeps passes recounters and a host of submissions this series is a must for all MMA competitors searching for an edge over the competition Sambo prides itself on fast wrestling with only 60 seconds of groundfighting permitted In mixed martial arts however these locks only work 20 percent of the time and aren't worth sacrificing quality position As a result Sonnon modified traditional sambo to become a lower half positional approach so that fighters could both strike and defend against strikes maintain positional dominance and easily transition from one submission to the next in a chess like fashion as Brazilian JiuJitsu has become known for in the upper half game Now you too can learn these winning strategies from one of the best sambo instructors in the world **Sambo Wrestling** Reilly
