web interactive tutorials these demonstrations about laws and tools associated with electricity and magnetism allow you to adjust variables at and to visualize invisible forces which makes them almost better than the real thing

phet simulation magnets and electromagnets - Oct 23 2022

web in this interactive simulation users explore the interactions between a compass and a bar magnet and investigate characteristics of electromagnets this resource was developed to help students build a foundation to understand electromagnetism and factors affecting magnetic field strength

faraday s law magnetic field magnets phet interactive - Dec 25 2022

web investigate faraday s law and how a changing magnetic flux can produce a flow of electricity sample learning goals explain what happens when the magnet moves through the coil at different speeds and how this affects the brightness of the bulb and the magnitude sign of the voltage
