An Introduction to Business Ethics Joseph R. DesJardins, 2005-11 Since its inception *An Introduction to Business Ethics* by Joseph DesJardins has been a cutting edge resource for the business ethics course DesJardins's unique approach encompasses all that an introductory business ethics course is from a multidisciplinary perspective It offers critical analysis and integrated perspective of philosophy with management law economics and public policy

Business Ethics Jeffrey Moriarty, 2021-09-29 Packed with examples this book offers a clear and engaging overview of ethical issues in business It begins with a discussion of foundational issues including the objectivity of ethics the content of ethical theories and the debate between capitalism and socialism making it suitable for the beginning student It then examines ethical issues in business in three broad areas The first is the market Issues explored are what can be sold the limits of markets and how it can be sold ethics in marketing The second is work Topics in this area are health and safety meaningful work compensation hiring and firing privacy and whistleblowing The third area is the firm in society Here readers explore corporate social responsibility corporate political activity and the set of ethical challenges that attend international business Issues are introduced through real world examples that underscore their importance and make them come alive Arguments for opposing positions are given fair hearings and students are encouraged to develop and defend their own views Key Features Introduces each topic with a real world example which is referenced regularly in the subsequent argument Contains a critical evaluation of capitalism and socialism with a focus on private property the market system and the welfare state Explores the limits of markets and encourages students to ask what should and should not be for sale Explores the phenomena of corporate political activity and ethical consumerism Includes initial chapter overviews and at the end of each chapter study questions and suggested additional readings

The Ethics of Business Al Gini, Alexei Marcoux, 2011-10-16 In a field dominated by books that focus exclusively on the perspective of business in large corporations or that assume that business has a moral deficiency in need of reform Al Gini and Alexei Marcoux offers students and business people alike a concise guide to what everyone ought to do when doing business Where other books are organized topically Gini and Marcoux look at the moral features of business that recur across topical areas stressing the considerations that bear on business people whether they be corporate functionaries principals in family businesses or solo entrepreneurs who do it all end to end They present to students the essential concepts ideas and issues involved in ethics in business and emphasize the individual acting person and what it means to have character and integrity when doing business

Business Ethics Wim Dubbink, Willem van der Deijl, 2023-08-28 This textbook not only provides the student with a solid foundation in ethics but introduces students to

the most important themes relevant to business today Issues such as human rights violation down in the supply chain the effect business has on nature and the environment and inclusiveness are each discussed in separate chapters which discuss their importance but also their challenges While there are numerous business ethics textbooks few take a philosophical approach to business ethics However without introducing philosophical ethics discussions about business ethics are bound to get stuck in fallacies and paradoxes This textbook therefore fills an important societal gap by providing an introduction to profound philosophical issues in clear language at a philosophically high but accessible level [An Introduction to Business Ethics](#) DESJARDINS,2019-03-05 Since its inception An Introduction to Business Ethics by Joseph DesJardins has been a cutting edge resource for the business ethics course DesJardins multidisciplinary approach offers critical analysis and integrates the perspective of philosophy with management law economics and public policy providing a clear concise yet reasonably comprehensive introductory survey of the ethical choices available to us in business Instructors and students can now access their course content through the Connect digital learning platform A subscription to Connect includes SmartBook an adaptive digital version of the course textbook that personalises your reading experience based on how well you are learning the content Access to your instructor s homework assignments quizzes syllabus notes reminders and other important files for the course Progress dashboards that quickly show how you are performing on your assignments and tips for improvement [Introduction to Business Ethics](#) Gilad James,2023-05-16 Business ethics is an important aspect of modern day business operations It refers to the moral principles and values that dictate how business activities should be conducted The concept of business ethics encompasses a broad range of practices including transparency honesty respect for human rights fair labor practices environmental stewardship and ethical leadership Business ethics is important for both the internal and external stakeholders of an organization Internally businesses that prioritize ethical practices have been found to enjoy higher employee morale productivity and overall job satisfaction Externally ethical business practices can help build a positive reputation foster customer loyalty and increase long term profitability There are several critical factors that have contributed to the emergence of business ethics as a cornerstone of modern business practices These factors include growing public awareness and concern about ethical issues increasing regulatory and legal requirements and evolving social and moral norms This has led to the development of corporate social responsibility which recognizes the responsibility of organizations to act in a socially responsible manner taking into account the impact of their activities on the environment society and the economy In conclusion business ethics has become a fundamental concept in contemporary business operations with its contribution going beyond just financial profits It emphasizes the role of organizations in society and emphasizes the importance of operating in a just and equitable manner that respects the interests of all stakeholders Overall businesses that prioritize ethical practices demonstrate a commitment to sustainable and responsible business practices that promote the well being of society as a whole The success of these businesses is rooted in their ability to balance profitability

with a wider social agenda As businesses continue to evolve and adapt to an ever changing landscape it is clear that business ethics will remain a cornerstone of responsible and sustainable business practices In this book we discuss topics such as Introduction Definition of Business Ethics Importance of Business Ethics Ethical Theories Consequentialist Theories Non Consequentialist Theories Ethical Decision Making The Ethical Decision Making Process The Role of Ethics in Decision Making Corporate Social Responsibility What is Corporate Social Responsibility The Importance of Corporate Social Responsibility The Role of Stakeholders in Corporate Social Responsibility Ethics and Management Leadership and Ethics Employee Ethics Ethics in Marketing Ethics in Finance Ethics in Information Technology Ethics and Sustainability What is Sustainability Why Sustainability is Important The Role of Business Ethics in Achieving Sustainability Ethics and Globalization Cultural Issues in Business Ethics Global Business Ethics Ethics and Risk Management Ethics and Risk Ethical Risk Assessment Ethics and Law Legal Issues in Business Ethics Regulatory Compliance Ethics and Philanthropy Charitable Giving and Business Ethics Corporate Philanthropy and Social Responsibility Conclusion Summary of Topics Covered and The Future of Business Ethics Quizzes are provided at the end of each section

An Introduction to Business Ethics Jennifer Jackson,1996-12-09 This book is a concise overview of the relevance and application of moral philosophy to all those involved in business and employment It is the ideal introduction for beginning students of applied philosophy business or management ethics

An Introduction to Business Ethics George D. Chryssides,John H. Kaler,1993 Provides an introduction to the subject of ethics and values in the business environment Set firmly in a European context the book spans the range of subjects in business ethics including theories of ethics capitalism and free enterprise marketing employment and the greening of business

Introduction to Business Ethics McGraw-Hill Education,2002-09-01
