Auditing & Assurance Services Timothy J. Louwers, David Sinason, 2006-03-20 As a result of recent audit scandals such as Enron and Worldcom several new auditing standards have been enacted making currency one of the most important issues in this market Upon publication this text will be the most up to date auditing text on the market It s been written so that it is current with all issues inherent in accounting and auditing practice particularly in public accounting firms including coverage of the creation of the Public Companies Accounting Oversight Board the passage of the Sarbanes Oxley Act and all of the major pronouncements issued by the AICPA through Summer 2005 The Louwers text is also a leader in fraud coverage and is accompanied by the Apollo Shoes Casebook the only standalone FRAUD audit case on the market available at the book s Online Learning Center The text is also designed to provide flexibility for instructors the twelve chapters focus on the auditing process while the eight modules provide additional topics that can be taught at the instructor s discretion without interrupting the flow of the text

Auditing and

Assurance Services David N. Ricchiute, 2003 Auditing and assurance service education has undergone dramatic change in at least three ways 1 An awakening that practitioners have a comparative advantage in offering professional services that transcend the boundaries of financial statements 2 An understanding that client strategies affect engagement risk and 3 A transition away from first person delivery by classroom instructors only and toward third person discovery by students both within and outside of the classroom Each has influenced the seventh edition To transcend the boundaries of financial statements Auditing and Assurance Services exposes students both to the demand for and the supply of the profession s flagship service financial statement audits and to the nature of the value added assurance services decision makers demand in the information age Auditing & Systems Irvin N.
