Re: Extension of B2 Nonimmigrant Visa (Passport Number: P12345678)

I am writing to request an extension of my B2 nonimmigrant visa. My current visa is set to expire on March 30, 20... I would like to extend my stay in the United States for an additional 6 months.

The reason for my extension request is that I wish to stay longer to visit more places. I have already visited New York City, Miami, and Las Vegas and I would like to visit San Francisco, Chicago, and Grand Canyon before returning to my home country. I have a return ticket booked for September 30, 20... and I am confident that I will be able to complete my planned trip before the end of the extension period.

I would like to assure you that I have no intention of working or engaging in any activities that would violate the terms of my B2 visa. I have enough funds to support myself during the extension period, as evidenced by my bank statement attached.

In addition, I have strong ties to my home country, I am a business owner in my country, and I intend to return there after the extension period. I also have a letter from my employer, [ABC Company], confirming that I have a job waiting for me upon my return.

I would greatly appreciate your consideration of my extension request and I am available to provide any additional information or documentation that you may require.

Thank you for your time and consideration.

Sincerely,
