*America's Top Doctors*, Castle Connolly Medical Ltd, 2005. The selection of medical providers for inclusion in this book was based in part on opinions solicited from physicians, nurses, and other health care professionals. The author and publishers cannot assure the accuracy of information provided to them by third parties, since such opinions are necessarily subjective and may be incomplete. The omission from this book of particular health care providers does not mean that such providers are not competent or reputable.
