**Thy Kingdom Come** Jerry Huerta, Marsue Huerta, 2018-12-28 Contemporary history and progressive revelation regarding the Hebraic festivals are the basis for a renovation of the traditional historicist s house and its perception of recapitulation in the book of Revelation which does not disturb the historicist s view that the papacy is the Antichrist Under this new interpretation John s use of recapitulation was modest as

compared with the traditionalist's view. The new view correlates the prophecies and illustrations of the seven seals with our modern day market driven society, the prophetic era of the Laodicean church, the autumnal festivals, and the time of the end in Daniel 8:17. The correspondence of the apocalyptic horsemen of the seven seals with the historical accounts of the Protestant's rise to prominence and their termination of the church's influence in our modern day commerce is incendiary. Moreover, the correspondence pertaining to autumnal festivals regarding the final judgment and the apocalyptic horsemen of the seven seals is no less provocative. As is the case of all such correlations that come to light through progressive revelation, they become a blessing for the sons and daughters of God and a reproof for those who walk in darkness. Revelation 1:3

The gospel of Jesus Christ is not one theory of the world's origin and purpose standing behind or alongside other competing viewpoints. Neither is it one of many components of the Christian religion. It is the central purpose, heartbeat, and jewel of the entire universe. It is the power of God Almighty. It is the set of glasses we must wear to rightly understand all of God's Word and all of God's world. Whether we acknowledge it or not, Jesus Christ is the Lord, Savior, and Treasure. This gospel of Jesus Christ is God's grace for individuals and God's grace for all of creation. John Kuyper Liberty explains from Scripture that the gospel transforms how we understand and relate to God and his revelation, upward theology; how we understand and relate to ourselves and other Christians, inward theology; and how we understand and relate to God's broader creation, our communities, our cultures, and those who are not Christians, outward theology. This monumental resource, written for all people, includes chapter titles like *The Good News of God's Word*, *Gospel Worship*, *Gospel Joy*, *The Gospel and Money*, *The Gospel Centered Home*, *The Gospel and Work*, and *Gospel Society*. Jesus Christ, by his perfect life, bloody cross, resurrection in power, and ascension into Kingship, is reconciling all things to himself. *Life-Study of 1 Peter* Witness Lee, 1985-02. She is the managing editor of The Village Church blog and leads the Flower Mound Women's Bible Study, an interdenominational Bible study with about 700 members representing 68 different churches. She earned a B.A. in English and a Master of Business Administration from Texas A.M. Jen wrote *Women of the Word: How to Study the Bible with Both Our Hearts and Our Minds* and has a 9 week DVD Bible study on *The Sermon on the Mount*. Jen grew up in Texas and came to saving faith in elementary school. Her childhood was marked by time spent in seven different denominations, a range of experience that left her with the conviction that knowing the Word was the only sure means of discerning truth from error. Jen's passion is to see women become articulate and committed followers of Christ with a clear understanding of why they believe what they believe and grounded in the Word of God. She sees women as most frequently appealed to through their emotions. Because of that, she advocates for women to have Bible literacy, love God with their minds, and have their voices and giftings fully leveraged in the church.
