craft from energy raising sacred space creation and receiving signs to casting spells holding rituals scrying potions and much more crucially in each case the topic is discussed from an exciting contemporary perspective So when Kelly Ann talks about sacred texts she stresses that you can choose the texts that resonate with you so why not Alice in Wonderland or Narnia Maybe you want to move away from the traditional Wheel of the Year and create your own divisions Instead of honouring a traditional deity why not construct your own choosing elements from rock stars movie icons or fictional heroes Or embody magical signs in your clothing and jewellery Creativity and experimentation are encouraged with tips to help the reader to be inventive A curious reader with a desire to create an inspired deeply personal path and free themselves from conformity will finish the book ready to take action and make magick happen
