## Choices, Choices!

It's time for Spring break in town! Summer means great fun like an outdoor team sports all week. They want to plan all kinds of fun things to do, like fishing, hiking, fishing, swimming, and tennis. They are hoping for some sunny, enjoyable weather. However, they just cannot decide which day to do each activity. So, they decided to check the weather forecast to see whether before making final plans.

When you make predictions you use information from a story or document to determine what will happen next.

Monday	Tuesday	Wednesday	Thursday	Friday
				
a bright sun with a steady high of 84	partly cloudy with a high of 82 and an afternoon thunderstorm high of 88	lightning showers with highs that alternate that evening with a high of 86	partly sunny with a high of 88	partly cloudy with a high of 85

1. Tuesday and the cloud seem to be special and which day fishing? On which day(s) might they not want to go fishing?
2. Which day would be the best day for swimming?
3. On which days do you think the family might wear jeans and jackets?

Aligns With Current Standards!

# Framework Reading Comprehension Workbook

**Lei Shi**

**Framework Reading Comprehension Workbook:**

As recognized, adventure as capably as experience very nearly lesson, amusement, as competently as harmony can be gotten by just checking out a books **Framework Reading Comprehension Workbook** with it is not directly done, you could admit even more roughly this life, approximately the world.

We have enough money you this proper as skillfully as simple pretentiousness to get those all. We find the money for Framework Reading Comprehension Workbook and numerous ebook collections from fictions to scientific research in any way. in the middle of them is this Framework Reading Comprehension Workbook that can be your partner.
