

Bluebeards Egg

Laura Alexander

Bluebeards Egg:

Bluebeard's Egg Margaret Atwood,2010-12-17 By turns humorous and warm stark and frightening *Bluebeard's Egg* infuses a Canada of the 1940s 50s and 80s with glowing childhood memories the harsh realities of parents growing old and the casual cruelty that men and women inflict on each other Here is the familiar outer world of family summers at remote lakes winters of political activism and seasons of exotic friends mundane lives and unexpected loves But here too is the inner world of hidden places and all that emerges from them the intimately personal the fantastic and the shockingly real whether it s what lies in a mysterious locked room or in the secret feelings we all conceal *Bluebeard's Egg and Other Stories* Margaret Atwood,1983 ***Bluebeard's Egg*** Margaret Atwood,1982 *Bluebeard* Casie Hermansson,2009 *Bluebeard* is the main character in one of the grisliest and most enduring fairy tales A serial wife murderer he keeps a horror chamber in which remains of all his previous matrimonial victims are secreted from his latest bride She is given all the keys but forbidden to open one door of the castle This is a major study of the tale and its many variants in English from the 18th and 19th century chapbooks children s toybooks pantomimes melodramas and circus spectaculars to the 20th century in music literature art film and theatre ***Bluebeard's Egg*** Margaret Atwood,1998-01-20 By turns humorous and warm stark and poignant these stories from the bestselling author of *The Handmaid s Tale* and *The Testaments* probe childhood memories the reality of parents growing old and the casual cruelty men and women can inflict on one another A tenuous teenage love affair fails to survive a hurricane a man notices the women around him becoming progressively paler and smaller a surgeon who specializes in hearts seems oddly emotionally opaque to his wife a middle aged couple s waning affection rekindles at the spectacle of rare Jamaican birds In these exceptional short stories Margaret Atwood proves herself once again a true master of the form *Bluebeard's Egg* Margaret Atwood,1996 By turns humorous and warm stark and frightening *Bluebeard's Egg* infuses a Canada of the 1940s 50s and 80s with glowing childhood memories the harsh realities of parents growing old and the casual cruelty that men and women inflict on each other Here is the familiar outer world of family summers at remote lakes winters of political activism and seasons of exotic friends mundane lives and unexpected loves But here too is the inner world of hidden places and all that emerges from them the intimately personal the fantastic and the shockingly real whether it s what lies in a mysterious locked room or in the secret feelings we all conceal *Fairy Tales as Social Critique in Adaptations by Women Writers* Laura Alexander,2025-03-10 This collection considers how women writers subvert normative structures in their adaptations of fairy tales Though fairy tales as a genre have long been associated with conservative values writers like Anne Sexton Angela Carter and Emma Donoghue among others reimagine fairy tales as an instrument of social critique of traditional structures The essays in this collection consider the way women writers rewrite mythologies inherited from the past charting the decline of aristocratic systems and entrenched class structures ***Tales of Bluebeard and His Wives from Late Antiquity to Postmodern Times*** Shuli Barzilai,2013-01-11 This project provides an

in depth study of narratives about Bluebeard and his wives or narratives with identifiable Bluebeard motifs and the intertextual and extratextual personal political literary and sociocultural factors that have made the tale a particularly fertile ground for an author's adaptation of the story Whereas Charles Dickens for example expresses a sympathetic identification with Bluebeard and a discernable strain of misogyny emerges in his recreation of the tale and recurrent allusions to it his contemporary William Makepeace Thackeray uses the tale as a springboard for his critique of avarice hypocrisy pretension and the subjugation of women in Victorian society

Secrets Beyond the Door Maria Tatar,2004 Maria Tatar analyses the many forms the tale of Bluebeard's wife has taken over time showing how artists have taken the Bluebeard theme and revived it with their own signature twists

Literary Contexts in Short Stories Collections ,2006 *Margaret Atwood* Colin Nicholson,1994 This is the first collection of essays published in the United Kingdom to focus upon a writer who already enjoys an international reputation It is a part of Atwood's unique achievement that she manages to sustain her popularity with reading publics around the world as she brings feminist perspectives to bear upon personal and private experience and upon the public structures of power which shape individual lives From a variety of theoretical perspectives and including European and North American contributions the essays gathered here explore how as a woman writer Atwood articulates the pressures and determinations which condition the feminine before allowing it to speak for itself and how as a Canadian she explores the complicated relationships between representation and self representation in a world of vastly uneven distributions of power and responsibility A unique combination of feminist and postcolonial perspectives it examines Atwood's poetry and short fiction as well as her novels

Margaret Atwood Frank Davey,1984 Davey offers a glossary of recurrent Atwood images and symbols that unveil the hidden level in her writing

Recherches Anglaises Et Nord-américaines ,1989

Bluebeard's Keys and Other Stories Anne Thackeray Ritchie,1875 The Works of Miss Thackeray: Bluebeard's keys, and other stories Anne Thackeray Ritchie,1876

Bluebeard's Widow and Her Sister Anne. Their History Evolved from Mendacious Chronicles Sabilla Novello,1876 The Canadian Short Story Michelle Gadpaille,1988 This survey traces the development of the Canadian short story from its 19th century origins in the sketch and the tale to widespread international recognition in the 1980s Gadpaille traces the beginnings of realism in the work of such early writers as Roberts Seton Knister Callaghan and Garner explores the positive and negative influence of the realist tradition in the work of later writers and looks in depth at the work of the three most important modern practitioners of the Canadian short story Mavis Gallant Alice Munro and Margaret Atwood

Choice ,1987 **Journal of the short story in English** ,2007 *The Longman Handbook for Writers* Christopher M. Anson,Anson,1997
