Two Dr David Paul Yonggi Cho's comprehensive spiritual philosophy on the power of dynamic faith is brought together in one place for completeness and ease of reference. A Senior Pastor Emeritus of Yoido Full Gospel Church in Seoul, Korea, Dr Cho grounds his belief in his experiences following his conversion to Christianity as a young man and while suffering from tuberculosis. To the Ends of the Earth Allan Heaton Anderson, 2013-01-04. In *To the Ends of the Earth*, Allan Anderson offers a historical and theological examination of the growth of global Pentecostalism. Examining such issues as revivalism, healing, gender, worship, and globalization, Anderson seeks to show how the growth of global Pentecostalism is changing the face of Christianity as a whole.

The Oxford History of Protestant Dissenting Traditions, Volume V Mark P. Hutchinson, 2018-10-18. The five-volume *Oxford History of Protestant Dissenting Traditions* series is governed by a motif of migration out of England. It first traces organized church traditions that arose in Britain and Ireland as Dissenters distanced themselves from a state church defined by diocesan episcopacy, the Book of Common Prayer, the Thirty-Nine Articles, and Royal Supremacy, but then follows those traditions as they spread beyond Britain and Ireland and also analyses newer traditions that emerged downstream in other parts of the world from earlier forms of Dissent. Secondly, it does the same for the doctrines, church practices, stances toward state and society, attitudes toward Scripture, and characteristic patterns of organization that also originated in earlier British and Irish dissent but that have often defined a trajectory of influence independent of ecclesiastical organizations. *The Oxford History of Protestant Dissenting Traditions, Volume V* follows the spatial, cultural, and intellectual changes in dissenting identity and practice in the twentieth century as these once-European traditions globalized. While in Europe, dissent was often against the religious state, dissent in a globalizing world could redefine itself against colonialism or other secular and religious monopolies. The contributors trace the encounters of dissenting Protestant traditions with modernity and globalization, changing imperial politics, challenges to biblical, denominational, and pastoral authority, local cultures and languages, and some of the century's major themes such as race and gender, new technologies, and organizational change. In so doing, they identify a vast array of local and globalizing illustrations which will enliven conversations about the role of religion and, in particular, Christianity.

Umstrittene Katholizität: Von der zwiespältigen Beziehung zwischen Vielfalt und Einheit - Catholicity under Pressure: The Ambiguous Relationship between Diversity and Unity Dagmar Heller, Péter Szentpétery, 2016-04-02. Das Attribut katholisch wird in vielen Kontexten als Konfessionsbezeichnung einer bestimmten Kirche missverstanden. Die in diesem Band vorgelegten Vorträge der 18. Wissenschaftlichen Konsultation der Societas Oecumenica beleuchten die kumenische Bedeutung der Katholizität, die alle Kirchen im Glaubensbekenntnis bekennen. Dabei werden auch die Spannungen zwischen Einheit und Vielfalt sowie die

Herausforderungen durch neuere Entwicklungen in der weltweiten Christenheit in den Blick genommen In many contexts the attribute catholic is misunderstood as a confessional term describing one specific church The papers of the 18th Academic Consultation of Societas Oecumenica presented in this book give insights to the ecumenical significance of the catholicity which all churches confess in the Creed They also take into consideration the tensions between unity and diversity as well as the challenges by new developments in worldwide Christianity *Unleashing the Power of Faith* David Yonggi Cho,2006 Presents a lesson that shows the power in possibilities *Theology of Hope* Sang Yun Lee,2018-08-01 This book digs deep into Yonggi Cho s teaching of the Threefold Blessing salvation financial prosperity and healing expressing the biblical concept of hope in the Korean Pentecostal context Ironically hope always begins situations where it is lacking The Threefold Blessing was the most urgent and eager hope in the desperate socio economical and political situation following the Korean War Cho s theology successfully contextualized became deeply lodged in the Korean Pentecostals lives which resulted in the growth of strong churches in Korea But the context has now changed in part due to the gospel s successful penetration of Korean culture and the Threefold Blessing must be reinterpreted and theologically recontextualized The original Threefold Blessing emphasized the wellbeing of the individual person The new Threefold Blessing must expand its theological perspectives to include social and ecological matters This book suggests ways for its recontextualization for present and future of Korean Pentecostals *The Fourth Dimension* Robert Lee Bell,2013-08 Dr Robert Lee Bell s book *The Fourth Dimension Truth or Deception* is a very well researched and balanced study on the teachings of Yonggi Cho It is indeed a need in this age to explore the dangers of the man centered theology that Apostle Paul warned against in II Timothy 3 1 9 Dr Bell has compared Cho s theology with the Scriptures and it is very clear that Cho s theology is a synthesis of Christianity shamanism and occult practices a deceptive mixture of error and truth which appears Christian Cho takes Scripture out of context and twists it to conform to a preunderstood paradigm **The Charismatic Movement** Charles Edwin Jones,1995 *Missionalia* ,2007 Contains abstracts of missiological contributions book reviews and articles *The Fourth Dimension, Volume 2* David Yonggi Cho,2015-08-24 In *The Fourth Dimension Vol 2* the sequel to the best selling *The Fourth Dimension Vol 1* Dr David Yong gi Cho pastor of the world s largest church reveals in greater depth the faith secrets that enable him to build his church Then he shows how to develop dynamic faith have true communion with God overcome all spiritual obstacles and destroy all spiritual barriers **Fourth Dimensional Living in a Third Dimensional World** David Cho,2007-01-15 *Life in a Higher Dimension* Dr David Yong Gi Cho is the pastor of the world s largest church and a best selling author Many of his books talk about life in the Fourth Dimension a realm that is more real than the physical world in which we live He points out that the world we know was fashioned in the invisible Fourth Dimension the spiritual realm and the things we see are only temporary whereas spiritual things are eternal In light of this he wants each of us to gain entrance to the Fourth Dimension the place where the God of might and miracles lives and moves How do we move from this sphere

into the Fourth Dimension Dr Cho provides a road map for us by showing us the things we need to change in order to get there and live there We must change the way we think We must live by faith not by sight We must dream God s dreams We must change the way we speak We must change the way we behave Yes these are the keys that open the door to the Fourth Dimension for every child of God who wants to know and experience God in all His fullness As you read this book you will gain glimpses into the spiritual dimension a wonderful place of love peace and joy and you will be inspired to go there and stay there Though you are in the world you do not have to be of the world By faith we understand that the worlds were prepared by the word of God so that what is seen was not made out of things which are visible Hebrews 11 3 NKJV

Increasing the Practice of Spiritual Growth Utilizing Dr. Cho's Concept of the "Fourth Dimension" Gu Hong Lee,2010 This project was about increasing the practice of spiritual growth by utilizing Dr Yonggi Cho s concept of the Fourth Dimension The researcher presented the training as a device to help resolve problems in some of the members of Yoido Full Gospel Church He addressed issues such as negative thinking and speaking inactive faith and life without goals His training on thoughts faith dreams and words which are the elements that move the fourth dimensional world was designed to become the seed for the revival of their personal faith The training materials were compiled by the researcher and included five audio and video tapes containing the works and lectures of Yonggi Cho on the spirituality of the Fourth Dimension The participants were divided into a treatment and a control group The researcher conducted a survey with the same questionnaire for both groups and analyzed and evaluated the results The Fourth Dimension Yong-gi Cho,1996
